The Seller's Compass Joseph Garcia, 2020-09-08

Whether you are a first time seller or have done it before selling your house can be a drag The process can be riddled with complications and things that you would never ordinarily think about and on top of all of that you have to deal with potential buyers who just don't have the same urgency as you The worst part is that most of the time you won't even know what to expect until you are in the middle of the situation I know this feeling I have been there myself The good news is that it doesn't have to be a horrible experience You can actually avoid many bad situations if you know what to expect and are prepared in advance I don't want to just give you a bunch of random information on selling your house but rather guide you through it and point you in the right direction When you have read through this book you will be fully equipped with the information you need to sell your house successfully If you want to sell a house fast and efficiently then add this book to your cart and discover the methods today
