Copyright Law: A Practical Guide Victor D. López ,2018-04-09 This book is a general reference guide for authors artists musicians librarians entrepreneurs and others interested in learning about copyright law The material is an edited and expanded version of the relevant chapters from the author s prior *Intellectual Property Law A Practical Guide to Copyrights Patents Trademarks and Trade Secrets* It is designed as a a brief but informative reference for lay persons who need practical information that is easy to understand and apply The main text provides an orientation to the relevant law and the process advisability and cost of registering copyrights with the U S Copyright Office This accessible practical reference book will provide timely useful information relevant sections of the Copyright Act in an appendix and a link to other useful resources from the U S Copyright Office This book can offer general guidance but no book can provide legal advice which can only be provided by an attorney working directly with a client and fully aware of a client s individual circumstances and needs

Echoes of the Mind's Eye: 13 Science Fiction and Speculative Fiction Short Stories Victor D. López,2020-11-29 This book is a compilation of 13 contemporary science fiction and speculative fiction short stories by the author including 10 newly edited and updated stories from his previous *Book of Dreams and Mindscapes* collections as well as three new stories The scope of this collection extends from the innermost dimensions of the mind to the outer reaches of the universe The stories touch on both timeless and novel themes including philosophical questions as to the meaning of life the nature of reality the power of love and the superlative strength and wrenching weakness of the human spirit The stories in this collection can be difficult to classify as they touch on a variety of themes literary styles and genres that include hard and soft science fiction horror humor romance and literary fiction in both traditional and unusual combinations Several of the stories in this collection can be classified as dark fiction that pose all too disturbingly feasible ways for human beings to destroy themselves and perhaps even our corner of the universe But these are tempered with humor and with the hope that springs from humanity s ability to cheat fate through its ingenuity and more importantly to learn from its mistakes Each story is intended to entertain but also to leave the reader thinking long after she he puts down the book The author is the Cypres Family Distinguished Professor in Legal Studies in Business at Hofstra University s Frank G Zarb School of Business He has published eight textbooks and textbook editions through traditional publishers including Irwin Mirror Press McGraw Hill Prentice Hall and Textbook Media Press in addition to trade books and reference books on computer software and intellectual property law He has also published numerous articles on law related topics in law reviews and academic peer reviewed journals His fiction and poetry have appeared In print in various college literary journals and he has published several books of short stories poetry and most recently his first novel *Hire Lerin* For more information about the author s books textbooks scholarly articles and blogs you can visit <http://www.victordlopez.com>

The Academy of Management Review Academy of Management,1988 **Introduction to the Law of Contracts** Terry

H. Bitting, Martin A. Frey, Phyllis Hurley Frey, 1999-08 The third edition of this well respected text presents a road map approach for thinking about contract problems Steps include choice of law contract formation unenforceable contracts breach of contract and plaintiffs remedies The rules of the law are presented first as theory followed by an example and either a paralegal exercise or a case so that students can relate the abstract to a concrete set of facts The text also teaches students how to analyze a contract problem using common law and a code approach articles 1 and 2 of the UCC Finance Literature Index , 1994 **Im Crim Proc Crj Prof 8** Ferdico, 2001-08 Book of Dreams: Science Fiction and Speculative Fiction Short Stories VICTOR D. LOPEZ, 2011-07-11 What price would you pay to revisit a crossroad in your life when you had made a terrible life altering mistake Would you give up an unfulfilled life for the chance of virtual happiness in a computer generated alternate reality Would you sacrifice everything if you could attain absolute knowledge If so could you live with the knowledge you attained It is said that no person is an island but what if even the least among us is a god in his her own right If an alien visitor offered you a lifetime of health and the gift of telepathy in exchange for a small service would you be quick to accept And if consciousness utilizes only a small portion of our brain what function does the larger presumably unused portion actually serve These are some of the questions explored in this collection of science fiction and speculative fiction short stories that probes the interrelationship between dreams and reality the nature of reality itself and the dangers attendant to the single minded pursuit of wish fulfillment with its attendant unexpected and unwanted consequences Most of the short stories published here were written and revised over a period of more than thirty years 1977 2011 and with the exception of To Sleep Perchance to Dream have not been previously published The author is an Associate Professor of Legal Studies at Hofstra University s Frank G Zarb School of Business and has previously published seven non fiction books through traditional publishers His business law and legal environment textbooks have been used in colleges and universities throughout the United States since 1993 This is his first fiction collection *Communication Law* Dom Caristi, William R. Davie, Laurie Thomas Lee, 2025-04-24 This fully revised 4th edition brings a fresh approach to the fundamentals of mass media and communication law in an engaging and accessible way keeping legal jargon to a minimum and highlighting real life examples of legal conflicts Designed for students of communication that are new to law this volume presents key principles and emphasizes the impact of timely landmark cases on today s media world Providing an applied learning experience this new edition offers expanded coverage of telecommunications digital media law and social media It presents discussions of contemporary political social and cultural issues such as artificial intelligence surveillance cybersecurity revenge porn deepfakes and disinformation campaigns To encourage critical thinking chapters include From the Trenches vignettes written by practitioners Global View pieces comparing U S status to that in other countries and Ethical Dilemmas ideal for class discussion Communication Law serves as a core textbook for undergraduate courses in communication and mass media law Online resources for instructors including an Instructor s Manual Test Bank PowerPoint

slides and Timelines are available at www.routledge.com 9781032612980 **Criminology** Anthony Walsh, Lee Ellis, 2006-12-14 I find that Walsh's text is a great value for the price in that it encompasses a number of criminal justice topics a strong theoretical discussion and dedicates chapters to the integrated approach of criminology It also features an interdisciplinary approach that integrates rather than separates the theories and a comprehensive student study site that challenges the student to move beyond the classroom and textbook Erin Conley Monroe Harold Washington College I was impressed after reviewing the table of contents that Walsh included separate Chapters on Terrorism and Drugs I felt that Walsh's writing is very sophisticated and better organized with regards to Chapters than the competition I really liked how the interdisciplinary approach is explained and the organization choice of theories covered It addresses Criminology more at the interdisciplinary approach and explains why that is important I also find Sage's student study site at www.sagepub.com/criminologystudy to be thorough and easy to navigate Walsh is a much better value for the price Cathryn Lavery Iona College This unique text offers an interdisciplinary perspective on crime and criminality by integrating the latest theories concepts and research from sociology psychology and biology Offering a more complete look at the world of criminology than any other existing text authors Anthony Walsh and Lee Ellis first present criminological theory and concepts in their traditional form and then show how integrating theory and concepts from the more basic sciences can complement expand strengthen and add coherence to them Key Features Offers students the opportunity to learn from the cutting edges of criminology This innovative interdisciplinary approach introduces students to the future of criminology by offering new and exciting insights The book also includes strong sections on crime policy and prevention that illustrate the practical benefits of understanding theory and how theories guide policy makers seeking to prevent and control crime Focuses on topics fascinating to students Chapters on typologies such as violent crime serial killers terrorism drug and alcohol addiction psychopaths organized crime and white collar crime engage students while showing how the theories presented earlier can be applied Presents material in a student friendly style Written in an accessible format the book features many pedagogical tools such as chapter opening vignettes Focus On boxes summary tables of all theories a unique photo program discussion questions Web driven exercises and key terms Accompanied by High Quality Ancillaries Offers audio links to public radio shows from the NPR and PBS radio archives including This American Life All Things Considered Talk of the Nation Justice Talking The Online Newshour and Marketplace Provides free online video links from the Frontline PBS which are broken up into segments so they can be shown in lecture varying in length from less than 3 minutes to hour long or more Includes interactive quizzes e flashcards and practice quizzes 3-5 journal articles per chapter and much more Intended Audience This core textbook is designed for undergraduate students studying Introductory Criminology in departments of sociology and of criminal justice For only 25.00 more than the textbook alone you can adopt Criminology by Walsh and The Concise Dictionary of Crime and Justice by Davis BUNDLE Just use ISBN 9781412958950 A handy reference for students professionals and

anyone interested in criminal justice and criminology The Concise Dictionary of Crime and Justice is an excellent wide ranging resource with clear definitions for over 2 000 key criminal justice terms Often going beyond simple definitions the dictionary presents and explains common misperceptions for selected entries **American Book Publishing Record** ,2006
