Morning Star's Seven Steps to Spiritual Awakening Jc Husfelt, 2021-01-04 Life is Struggle We are in the time of the Great Struggle Keep Love and Hope in your Heart What does a broken winged bat mean What is the mystery of the Blue Apples What is your birthright Do emotions affect the immune system What steps can you take to maintain your love and power during this pandemic Is reincarnation a universal truth Is the Other world a reality You will discover the answers to these mysteries and many others within Seven Steps One word The key to awakening our hearts and minds one word Love Love means oneness the glue that binds the universe together Seven Steps are a journey of love of heart It is a search for truth as well as a quest for the ultimate reality of wholeness or oneness In our journey of spirit we must embrace the mysteries of the earth and heaven for transformation We need to experience the moment to moment magic of life We need to laugh and discover joy possibly within the simple things of life and release the burdens that accumulate from our life's passage and this pandemic The world and us all ebb and flow through cycles of change It is inevitable and the only thing that is predictable Step out of your present situation for a moment and ask yourself what can I become How does my journey progress from this

point forward Yes it is a struggle but we can do it In every crisis lies great opportunity This is our opportunity to build a better future We need to think about what we wish to create We need to set a goal and take small disciplined steps in order to achieve it this is our Seven Steps The knowledge presented in this book and my other five books will revolutionize our thinking about ourselves others and nature so that we will come to see the common thread which binds us all together and we will perceive the enormous potential we have for awakening and the creation of a new humanity We are standing on the threshold of a new consciousness of radical nonduality bubbling under the surface its energies waiting to be united and unleashed Together we can achieve this We can get through this pandemic Our Seven Steps are a beginning voyage into the deep mystery of yourself and everything else It is the discovery of your own nature and being The Seven Steps are not a quick fix or instant awakening It takes commitment focus persistence support perseverance and struggle Yes there is struggle the Great Struggle and most assuredly suffering and sacrifice to get on the other side of this novel coronavirus At the same time we need to face and release fear of the unknown and come to terms with the dysfunction darkness within us and the unresolved woundings of our past This take courage and resolve Keep love and hope in your heart During this most difficult time our faith is that your spirit will be uplifted inspired and brighten by your journey through our Seven Steps
