Samples, 2012-05-01 Ideas have consequences sometimes far reaching and world changing The Christian faith contains many volatile truths that challenged and continue to challenge the cultural and religious status quo of the world This biblical historical and philosophical exploration of some of Christianity's most transformational ideas offers a unique look at how the world changed when Christ and his followers came on the scene These ideas include the resurrection Jesus as God incarnate creation out of nothing the compatibility of faith and reason justification by grace through faith humankind in God's image the greater good of suffering Pastors students and thoughtful Christians will be strengthened to face contemporary challenges to these truths and will find the confidence to impact their world for Christ Reasons We Believe (Foreword by John MacArthur) Nathan Busenitz, 2008-07-22 Reasons We Believe will

reinforce your personal faith and will provide you with a clear concise evangelistic tool to help you share that faith with others In an age of cynics and skeptics Christianity is constantly under attack Believers need resources that defend the veracity of their faith They are searching for clear concise and credible answers to both doubts of their own and objections from their unbelieving friends Nathan Busenitz provides such resources to believers Reasons We Believe confirms and strengthens the faith of believers by demonstrating the reliability of the twofold authority on which Christianity rests the Word of God and the person of Jesus Christ Reasons builds a biblical foundation for the authority of the Bible and then shows how extra biblical evidence corresponds with and thereby attests to what the Bible claims This study seeks to reinforce the faith of Christians while also providing them with a straightforward evangelistic tool for reaching non Christians **Tough**

Straight Answers to 35 Tough Questions Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we ve learned that really important answers don t come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God s Word That s the reason God s first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It s been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That s one reason we re not only to confront knotty questions but willingly accept God s unraveling answers

Where Was God? Erwin W. Lutzer, 2011-04-11 When natural disaster strikes survivors and onlookers alike face questions about whether God is in control or how he could allow such tragedy to occur Respected Bible teacher Erwin Lutzer offers answers about God s purposes his goodness and his ultimate plan Without pretending to know the mind of God Lutzer s answers assure the reader that God is still sovereign and his plan is still best

God, Why? Chas Stevenson, 2010-05 If God is good why do bad things happen Is God in total control of life on earth Does everything happen for a divine reason Does God punish us Is God testing us What about the judgment of God What about Job s suffering and Paul s thorn When does God answer prayer Isn t it time to get the right answers about God and eliminate those big nagging question marks Yes it is time In *God Why* Chas Stevenson presents powerful precise scriptural logic that eradicates popular spiritual myths and flawed teaching that has misled and confused people about God s character and God s good will You re about to make a delightful discovery of Bible truths that will clear the hazy image of God and bring the reality of who he is and how he works into plain sight If you have a personal relationship with God already *God Why* will bring relief to your soul strengthen your faith and empower you for life If you aren t sure about God it will resolve the spiritual inconsistencies that may have obstructed your view of God And for everyone *God Why* will end the confusion by accurately answering the tough questions At last a solid explanation of why things happen that will leave you happy with hope and certainty about God Almighty
