## **Reasons My Kid Is Crying:**

**Reasons My Kid Is Crying** Greg Pembroke, 2014-04-01 A glimpse into the tribulations of parenting that is part documentary part therapy and completely hilarious It all started when busy father Greg Pembroke posted a few pictures online of his three year old son mid tantrum alongside the reason his son was crying He had broken his bit of cheese in half In *Reasons My Kid is Crying* Greg collects together photos sent from parents around the world documenting the many completely logical reasons why small children cry Among them I let him play on the grass He ran out of toys to throw into his pool The neighbor's dog isn't outside The result is both an affectionate portrait of the universal baffling logic of toddlers and a reminder for burned out parents everywhere that they are not alone "Why My Son?" Chris Breen, 2013-02-11 Chris Breens book is of a dads mission in life to get his disabled sons voice heard Nathaniels disability has had so many life altering events it use to turn the family upside down Now those events are every day life to the Breen Family Dad kept notes over the years of medical and legal terms being used but in time it was his soul pouring out onto the pages in front of him Chris bitterness and anger ran deep but he never lost the focus of his family and made the commitment of never giving up The struggles of life will not stop coming it is how we manage and recover from them makes us who we are today *Children, Religion and the Ethics of Influence* John Tillson, 2019-06-13 In *Children Religion and the Ethics of Influence* John Tillson develops a theory concerning which kinds of formative influence are morally permissible impermissible or obligatory Applying this theory to the case of religion he argues that religious initiation in childhood is morally impermissible whether conducted by parents teachers or others Tillson addresses questions such as how we come to have the ethical responsibilities we do how we understand religion how ethical and religious commitments can be justified and what makes children ethically special
