Texts from Bennett Mac Lethal, 2013-09-03 A family story for the twenty first century based on the phenomenally popular Texts from Bennett Tumblr blog this epistolary novel chronicles the year that Bennett and the rest of his freeloading family moved into his cousin Mac's household Hardworking Kansas rapper Mac has a problem and its name is Bennett His wannabe gangster cousin is seventeen uses drugs and foul language treats women worse than Charlie Sheen and has just moved in For the sake of aiding his addled aunt and trying to put Bennett on the straight and narrow Mac dutifully takes them into his house when they lose their own Through their interactions and legendary text message exchanges one thing becomes absolutely clear Bennett views the world differently than most Partly because he's looking through smoke filled glasses In a year of ups and downs Mac and Bennett need to stick together and make this new family unit work From stealing cats to legendary fights with the uncontrollable Mercedes to his 11 commandments of gittin bitchez Bennett's going to make that more than a little difficult But if Mac pays enough attention maybe just maybe he'll learn something along the way himself Regardless of whether they survive their time together one thing's for sure though Bennett is no ordinary teenager and certainly not one you'll soon forget

At Home with Pornography Jane Juffer, 1998-07-01 Twenty five years after the start of the feminist sex wars pornography remains a flashpoint issue with feminists locked in a familiar argument Are women victims or agents In At Home with Pornography Jane Juffer exposes the fruitlessness of this debate and suggests that it has prevented us from realizing women's changing relationship to erotica and porn Over the course of these same twenty five years there has been a proliferation of sexually explicit materials geared toward women made available in increasingly mainstream venues In asking what is the relationship of women to pornography Juffer maintains that we need to stop obsessing over pornography's transgressive aspects and start focusing on the place of porn and erotica in women's everyday lives Where she asks do women routinely find it for how much and how is it circulated and consumed within the home How is this circulation and consumption shaped by the different marketing categories that attempt to distinguish erotica from porn such as women's literary erotica and sexual self help videos for couples At Home with Pornography responds to these questions by viewing women's erotica within the context of governmental regulation that attempts to counterpose a dangerous pornography with the sanctity of the home Juffer explores how women's consumption of erotica and porn for their own pleasure can be empowering while still acting to reinforce conservative ideals She shows how for instance the Victoria's Secret catalog is able to function as a kind of pornography whose circulation is facilitated both by its reliance on Victorian themes of secrecy and privacy and on its appeals to the selfish pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the varying degrees to which these materials have been domesticated for home consumption Representing the next generation of scholarship on pornography At Home with

Pornography will transform our understanding of women's everyday sexuality

SELECT POEMS John M. Bennett, 2016
 Poetry Visual Poetry A selection from over 40 years of Bennett's work introduced by Ivan Argüelles Where to begin writing about this baffling and certainly most avant garde of all poets living and working in the USA today Bennett's reputation is international and his interest in Mesoamerican culture has drawn him frequently to that part of the world where he is a recognized figure His experimentations over the years have encompassed multiple techniques including visual poetry and his own polyglottery moving in and out of English Spanish Portuguese French or some Mesoamerican language What may seem aleatory is in fact more intentional and grounded than is first apparent Bennett has roots in traditional literatures those of Siglo de Oro Spain and of Elizabethan England but he is capable of transducing those literatures metamorphosing them by way of the avant garde movements of the 20th century into something utterly innovative and New such as few contemporary artists have done

Bodies and Disciplines Barbara A. Hanawalt, David Wallace, 1996-01-01

Media Culture & Morality Keith Tester, 2013-07-23 First published in 1994 The media report terrible events But the academic study of the media is increasingly trivial and lacking in moral seriousness Media Culture and Morality examines how this paradoxical situation

could have emerged The author seizes upon the disparity between the enormous production of books in the field and the lack of substantive insights generated He argues that such a mass of self conscious criticism should have provided a moral critique of contemporary culture not the quagmire of theoretical verbiage and threadbare politicizing we are faced with today The book is a disturbing speculation on the fate of moral and cultural values in a media dominated world
