Women's Literary Feminism in Twentieth-Century China A. Dooling,2005-02-18 This is a critical inquiry into the connections between emergent feminist ideologies in China and the production of modern women s writing from the demise of the last imperial dynasty to the founding of the PRC It accentuates both well known and under represented literary voices who intervened in the gender debates of their generation as well as contextualises the strategies used in imagining alternative stories of female experience and potential It asks two questions first how did the advent of enlightened views of gender relations and sexuality influence literary practices of new women in terms of narrative forms and strategies readership and publication venues Second how do these representations attest to the way these female intellectuals engaged and expanded social and political concerns from the personal to the national      **A History of Women's Writing in**

**Germany, Austria and Switzerland** Jo Catling,2000-03-23 This volume makes the wide ranging work of German women writers visible to a wider audience It is the first work in English to provide a chronological introduction to and overview of women s writing in German speaking countries from the Middle Ages to the present day Extensive guides to further reading and a bibliographical guide to the work of more than 400 women writers form an integral part of the volume which will be indispensable for students and scholars of German literature and all those interested in women s and gender studies

**Health, Literature and Women in Twentieth-Century Turkey** Şima İmşir,2023-03-31 Health Literature and Women in Twentieth Century Turkey offers readers fresh insight into Turkish modernity and its discourse on health what it excludes and how these potentialities manifest themselves in women s fiction to shape the imagination of the period Starting from the nineteenth century health gradually became a focal topic in relation to the future of the empire and later the Republic Examining representations of health and illness in nationalist romances melodramas and modernist works this book will

explore diseases such as syphilis tuberculosis and cancer and their representation in the literary imagination as a tool to discuss anxieties over cultural transformation This book places Turkish literature in the field of health humanities and identifies the discourse on health as a key component in the making of the Turkish nation building ideology By focusing on the place of health and illness in canonical and non canonised fiction it opens a new field in Turkish literary studies

Women in Russia and Ukraine Rosalind J. Marsh,1996-03-14 In this book leading western specialists and Russian and Ukrainian feminists examine how gender has shaped Russian and Ukrainian history from the twelfth century to the present In particular they analyse the current backlash against women s emancipation Using new archival materials and the insights of feminist theory the contributors explore the relevance of gender equality and difference in Russian history They find that women have not merely submitted to the patriarchal system but instead have found creative ways of resisting it Chapters focusing on contemporary Russia discuss abortion pornography sexual minorities young women s lifestyles the impact of economic reform on women and the development of the women s movement This book will be of interest to students and specialists in Russian Ukrainian and women s studies as well as to historians political scientists sociologists and economists

**A History of Women's Writing in Italy** Letizia Panizza,Sharon Wood,2000 This volume offers a comprehensive account of writing by women in Italy

**A New History of Iberian Feminisms** Silvia Bermudez,Roberta Johnson,2018-02-05 A New History of Iberian Feminisms is both a chronological history and an analytical discussion of feminist thought in the Iberian Peninsula including Portugal and the territories of Spain the Basque Provinces Catalonia and Galicia from the eighteenth century to the present day The Iberian Peninsula encompasses a dynamic and fraught history of feminism that had to contend with entrenched tradition and a dominant Catholic Church Editors Silvia Berm dez and Roberta Johnson and their contributors reveal the long and historical struggles of women living within various parts of the Iberian Peninsula to achieve full citizenship A New History of Iberian Feminisms comprises a great deal of new scholarship including nineteenth century essays written by women on the topic of equality By addressing these lost texts of feminist thought Berm dez Johnson and their contributors reveal that female equality considered a dormant topic in the early nineteenth century was very much part of the political conversation and helped to launch the new feminist wave in the second half of the century

**Spanish Women's Writing 1849-1996** Catherine Davies,2000-12-01 Traces the tradition of

Spanish women's writing from the end of the Romantic period until the present day Professor Davies places the major authors within the changing political cultural and economic context of women's lives over the past century and a half with particular attention to women's accounts of female subjectivity in relation to the Spanish nation state government politics and the women's liberation movement

**Women Intellectuals in Post-68 France** I. Long, 2013-10-30 Accounts of public intellectuals in France and French feminism have focused on a specific set of women thinkers overlooking some major women intellectuals This book aims redresses this balance by studying these forgotten intellectuals creating a cultural and theoretical re evaluation of the gendered phenomenon of the public intellectual in France

**Comparative Literature** Asun López-Varela Azcárate, 2024-01-17 Comparative Literature Interdisciplinary Considerations is a wide ranging exploration of various aspects of comparative literature and cultural phenomena from different angles The authors delve into intriguing topics such as literary tourism biofiction colonial postcolonial literature suspense in literature and the interaction between different artistic mediums For instance the analysis of Gabriel García Márquez's works sheds light on the genres of magic realism and the Latin American boom as well as how his literature influences literary tourism experiences Another example is the study of Anna Enquist's work which showcases the genre of biofiction and examines the complex messages conveyed through reconstructed voices and alternative perspectives including the portrayal of Captain Cook's wife This is compared with historical accounts of the 18th century Ottoman Empire during Sultan Selim III's reign as studied by Stanford Shaw in *Between Old and New* The book also explores the theme of unease and suspense in Patricia Highsmith's writing focusing on her iconic character Tom Ripley known for his psychological depth and morally ambiguous nature Additionally discussions on colonial postcolonial literature and the representation of women's restrictions from a historical perspective contribute to a better understanding of power dynamics gender representation and non Western literature Henri Fauconnier's *Malaisie* is analyzed in the context of paracolony highlighting the transformative potential of Western texts and emphasizing overlooked aspects in discussions of colonial and postcolonial literature The volume offers valuable insights into the representation of nations and historical figures through Malay and Persian travel narratives as well as their influence on cultural identity Moreover the chapters explore the evolution of literary genres the interconnectedness of literature with other art forms and the impact of technological advancements on artistic expression Overall this book provides valuable perspectives on the rich tapestry of literature art and culture It encourages scholars to explore diverse cultural expressions and fosters interdisciplinary dialogue within the field of comparative literature

**Irish Writers and the Thirties** Katrina Goldstone, 2020-12-29 This original study focusing on four Irish writers Leslie Daiken Charles Donnelly Ewart Milne and Michael Sayers retrieves a hitherto neglected episode of Thirties literary history which highlights the local and global aspects of Popular Front cultural movements From interwar London to the Spanish Civil War and the USSR the book examines the lives and work of Irish writers through their writings their witness texts and their political activism The relationships of these

writers to George Orwell Samuel Beckett T S Eliot Nancy Cunard William Carlos Williams and other figures of cultural significance within the interwar period sheds new light on the internationalist aspects of a Leftist cultural history The book also explores how Irish literary women on the Left defied marginalization The impetus of the book is not merely to perform an act of literary salvage but to find new ways of re imagining what might be said to constitute Irish literature mid twentieth century and to illustrate how Irish writers played a role in a transforming political moment of the twentieth century It will be of interest to scholars and students of cultural history and literature Irish diaspora studies Jewish studies and the social and literary history of the Thirties

**Socialist Women** June Hannam, Karen Hunt, 2012-11-12 This fascinating new study examines the experiences of women involved in the socialist movement during its formative years in Britain and the active role they played in campaigning for the vote By giving full attention to this much neglected group of women Socialist Women examines and challenges the orthodox views of labour and suffrage history Torn between competing loyalties of gender class and politics socialist women did not have a fixed identity but a number of contested identities June Hannam and Karen Hunt probe issues that created divisions between these women as well as giving them the opportunity to act together In three fascinating case studies they explore women s suffrage women and internationalism the politics of consumption Believing above all that being a woman was vital to their politics these individuals sought to develop a woman focused theory of socialism and to put this new politics into practice

*Multiple Modernities* Michelle Sharp, Anja Louis, 2017-07-14 This collection of essays confirms Carmen de Burgos s pivotal place in Spanish feminist history by bringing together eminent international scholars who offer new readings of Burgos s work It includes the analyses of a number of lesser known texts both fictional and non fictional which give us a more comprehensive examination of Burgos s multipronge feminist approach Burgos s works especially her essays are essential feminist reading and complement other European and North American traditions Gaining familiarity with the breadth and depth of her work serves not only to provide an understanding of Spanish firstwave feminism but also enriches our appreciation of cultural studies gender studies subaltern studies and travel literature Looking at the entirety of her life and work and the wide ranging contributions in this volume it is evident that Burgos embodied the tensions between tradition and modernity depicting multiple representations of womanhood Encouraging women to take ownership of their personal fashion the design of their homes and the decorum of their families were steps towards recognizing a female population that was cognizant of its own desires

**Gender and Nation in the Spanish Modernist Novel** Roberta Johnson, 2003 Offering a fresh revisionist analysis of Spanish fiction from 1900 to 1940 this study examines the work of both men and women writers and how they practiced differing forms of modernism As Roberta Johnson notes Spanish male novelists emphasized technical and verbal innovation in representing the contents of an individual consciousness and thus were more modernist in the usual understanding of the term Female writers on the other hand were less aesthetically innovative but engaged in a social modernism that focused on domestic issues gender roles and

relations between the sexes Compared to the more conventional even reactionary ways their male counterparts treated such matters Spanish women's fiction in the first half of the twentieth century was often revolutionary The book begins by tracing the history of public discourse on gender from the 1890s through the 1930s a discourse that included the rise of feminism Each chapter then analyzes works by female and male novelists that address key issues related to gender and nationalism the concept of intrahistoria or an essential Spanish soul modernist uses of figures from the Spanish literary tradition notably Don Quixote and Don Juan biological theories of gender prevalent in the 1920s and 1930s and the growth of an organized feminist movement that coincided with the burgeoning Republican movement This is the first book dealing with this period of Spanish literature to consider women novelists such as Maria Martinez Sierra Carmen de Burgos and Concha Espina alongside canonical male novelists including Miguel de Unamuno Ramon del Valle Inclan and Pio Baroja With its contrasting conceptions of modernism Johnson's work provides a compelling new model for bridging the gender divide in the study of Spanish fiction

*Modernism and Democracy* Rachel Potter, 2006-07-20 Anglo American modernist writing and modern mass democratic states emerged at the same time during the period of 1900-1930 Yet writers such as T S Eliot W B Yeats Ezra Pound Wyndham Lewis and Ford Madox Ford were notoriously hostile to modern democracies They often defended in contrast anti democratic forms of cultural authority Since the late 1970s however our understanding of modernist culture has altered as previously marginalised writers in particular women such as Gertrude Stein Djuna Barnes H D and Mina Loy have been reassessed Not only has the picture of Anglo American modernist culture changed significantly but the understanding of the relationship between modernist writing and politics has also shifted Rachel Potter here reassesses the relationship between modernism and democracy by analysing the wide range of different reactions by modernist writers to the new democracies She charts the changes in the ideas of democracy as a result of the shift from liberal to mass democracies after the First World War and of women's entrance into the political and cultural spheres By uncovering hitherto unanalysed essays by a number of feminist writers she argues that in fact there was a widespread scepticism about the consequences of mass democracy for women's liberation and that this scepticism was central to the work of women modernist writers

**Making Waves** Margaret Atack, Alison S. Fell, Diana Holmes, Imogen Long, 2019-12-11 1975 was a key year for the women's movement in France Through a critical exploration of the politics activism and cultural creativity of that moment this book evaluates the achievements and legacies of second wave French feminism for subsequent waves including the movement's contemporary resurgence

[The Routledge Companion to Gender, Sexuality and Culture](#) Emma Rees, 2022-09-02 The Routledge Companion to Gender Sexuality and Culture is an intersectional diverse and comprehensive collection essential for students and researchers examining the intersection of sexuality and culture The book seeks to reflect established theories while anticipating future developments within gender sexuality and cultural studies A range of international contributors including leaders in their field provide insights into dominant and marginalised subjects

Comprising over 30 chapters the volume is comprised into five thematic parts Identifying Embodying Making Doing and Resisting Topics explored include homonormativity poetry video games menstruation fatness disability sex toys sex work BDSM dating apps body modifications and politics and activism This is an important and unique collection aimed at scholars researchers activists and practitioners across cultural studies gender studies and sociology
