

Tommy returned from his shopping errands, hoping he'd remembered everything his Mistress had instructed. Being, it was his first time in public dressed as a woman, he began very nervous. But tried to remember everything She had trained him to do. His walk was smooth, and from the hips. His hips swayed rhythmically with the clicking of his 4" heels. The shortness of his dress brought about looks from male & female alike. Tommy felt so giddy! The more he felt he passed as a sexy little mynx, the more he felt he was making his Mistress proud.

Looking back over the list, he felt he was missing something, but what was it! Was there something she had told him verbally before he left the house, he forgot to write down?

Biting his lip, he entered the hallway, hoping he would make her happy, for that truly was all he wanted.
