Thandulwazi College Of Education:

The Learning Rainforest Fieldbook Tom Sherrington, 2019-10-18 Tom Sherrington's 2017 book *The Learning Rainforest* won rave reviews for its brilliant weaving of research evidence into a powerful vision of how education can transform lives even in the most challenging settings. In this follow up book Tom explores how these ideas take shape in the real world of education referencing the journeys that a range of schools and colleges have been on in recent years. *Kangwane Development Information*, 1985

The Magic in the Space Beyond: Transformational case studies from the frontiers of women's leadership Ian Wigston, 2022-12-16 Responding to a challenge posed by state and independent schools Ian and Hilary Wigston launched a unique mentoring programme to transform women's leadership in education. This programme explored in the 2021 book *The Magic in the Space Between* achieved huge success in the UK and led to similar initiatives in North America, Australasia and Africa. This new book *The Magic in the Space Beyond* presents a series of transformational projects produced by aspiring school leaders who were given the opportunity to collaborate with colleagues from around the world. Inspired by their world class mentors these remarkable women have forged new and innovative pathways for their own development while researching and documenting radical solutions to contemporary issues. These case studies explore the new frontiers that educators and students face every day including How to respond to the god like nature of social media influencers Building a proactive strategy to address neurodiversity Addressing post pandemic mental health Developing a playbook to enable student resilience
