Thane's Redemption Nina Crespo, 2015-03-03 The one night she'll want to remember she'll be forced to forget It's been almost a year since Celine's fiancé's death and she's still struggling to move on But when she meets Thane the super hot lead singer of Thane's Redemption she finds her desire reawakening and her heart opening Soon one kiss leads them straight into a night of heated passion Thane's unexpected connection with Celine only leaves him wanting more of her but his life makes it impossible For Thane's Redemption is just a cover for a deeper secret A former Army Ranger presumed dead Thane is really a time traveling covert operative charged with saving the world from disaster Each jump through time forces those around him to forget he ever existed and Celine would be no exception But can time work in their favor to give them a second chance at love Or will a choice Thane makes in the future put Celine in mortal danger 25 000 Words *A New Dictionary of the English Language* Charles Richardson, 1867 **Debates in Translation Studies** Susan Bassnett, David
