Thank You For Honoring Sorority Recognition:

A Tribute to Barack H. Obama Dorothy J. Dean, 2023-06-22 About the Book This tribute honors President Barack H. Obama Nobel Peace Prize laureate and one of the most influential figures in political history for his historical service as the first African American President of the United States of America. From legislation in health care reform to powerful speeches and messages, President Obama inspired countless people around the world. Readers will learn a brief history of the six organizations in Southeast Michigan that spearheaded the tribute effort, as well as personal stories from individuals within these organizations. Through this comes hope that all individuals, no matter race or creed, can aspire to the highest positions in government and can accomplish what they set out to achieve. About the Author Dorothy J. Dean facilitated the production of this book as the Project Manager and Editor. She is a contributor to *The Drum Major Beat*, *The Audacity to Make a Difference*, a publication that marked the 30th anniversary of the Southfield Task Force and tells the story of Michigan's first documented Peace Walk in celebration of the legacy of Rev. Dr. Martin Luther King Jr. This tribute book is a compilation of numerous contributors who helped to make the book unique and very special. The contributors are from the following organizations: Alpha Kappa Alpha Sorority Inc., Pi Tau Omega Chapter Delta Sigma Theta Sorority Inc., Southfield Alumnae Chapter, the National Congress of Black Women of Oakland County, The Empowerment Church, Southfield Lathrup Village Optimist Club Inc. and the Western International Optimist Club.

The Eighty-Year-Old Sorority Girls Robin

Benoit, 2022-05-17 A heart warming story that celebrates the bonds of friends, family, and sisterhood. This is a beautifully crafted novel. Kristina Seek, author of *The Hashtag Hunt*, as a group of eighty-something girlfriends deals with the mental decline of their sorority sister, they reconnect with their college sorority, advise their grandchildren, find new lives for themselves, and continue to show up for each other. Vivian, nicknamed Button, is an Alzheimer's patient who adores her sorority group. Helen rediscovers love at age eighty-one. Ida's crazy side comes out during football season, and Laney is the big sister in charge of baking for the group. These three women consistently show up for Vivian as her mental health deteriorates because that is what sisters do. As they discover a new way of life, they find they would rather take the road less traveled just as they did in their college days. I love books that represent the values of female friendships and supporting one another. The way these women show up for each other is truly inspiring. Pat Mitchell, Co-Founder and Curator of TEDWomen and author of *Becoming a Dangerous Woman*, I think fans of *Steel Magnolias* will love this book. I recommend it wholeheartedly. Carey Conley, coauthor of *Keep Looking Up*, A truly endearing book. We all need our tribe, our pride, and to think about our special relationships and their lifetime impact, personally and on future generations. Robin White Fanning, President of the Phi Mu Foundation, Sorority sister or not, this book is an incredible portrayal of sisterhood and friendship that will warm your heart. Kelin Kushin, Chief Business Development Officer at Vivid Vision.
