Dear Madam,

I am writing this letter to inform my heartfelt thank you for giving a direction to my life. I am very thankful to you for your guidance and support because of which am at a good position today. Today when I have achieved my goals and success I can only think of you who very patiently understood me and listened to my problems and motivated me in life. It's because of your teachings that I am a responsible and successful person.

I will always be grateful to you for all your support and inspiration and all the subjects you taught me. I still remember how you stayed back after school hours just to clear all your students doubts. it was your sheer dedication that all my classmates cleared the exam in flying colors. I understand that there is nothing that I can return for what you have given to me. But if there is anything that I can do for you it will be a great honor for me.

Thank you once again for everything  
Regards,  
Your name.
