

Dear Parents,

Thank you for allowing us to coach your child during the upcoming football season. While we work with your athlete, we would like you to know what we do and why we do it. This document will provide you with information about the foundation of our program, what you can expect from us as coaches and as an organization and lay out the expectations we have for your athlete throughout the season. Additionally, this document provides resources for you and your athlete should he wish to pursue football in college.

"I believe football is about three things: it's about relationships, friendships and championships. You have good relationships by being honest and open in your communication, you have to be confident in what you can do, because education is about the transportation of knowledge. Through that relationship, trust is built, and high-trusting teams are the teams that win. When your team trusts each other, and they go out there and lay it on the line for each other because they know everybody to the right and to the left of them gets what it's all about,

The players are the ones that are going to find their best friends in that locker room and people that are going to be there for them for the rest of their lives.

Hopefully through that process of relationships and trust it will lead us to championships!"

Chip Kelly

In order for your child to be successful, he only needs to be on time, be honest, and communicate while maintaining positive body language energy attitude and passion. Come to all activities prepared to be coached and learn.

I look forward to having your child on our team and having your support during this season. If you have any questions or concerns, please feel free to contact me.

Your greatest physical and mental effort is all I ask.

Success is a Choice.

-Coach Culig
