What's up guys? It's me, Eva. You may know me from my YouTube channel MyLifeAsEva. If that's the case, then you might also know that I have a munchkin cat named Paris, a weird obsession with patterned sock collecting, and the tendency to say HOLY SCHNITZEL at all the wrong moments. Like embarrassing moments. I'm so lucky to have my fans over eight million besties and counting. It has been amazing to meet so many of you since I started making videos. Growing up, books are what got me through life: a lot of the good times and the really bad times. And no matter how challenging life got, I promised myself that I would get through it in hopes that someday I'd have the chance to help people who need that one piece of great advice at just the right time. So here's a book by me, totally for you. I'll tell you a ton of my secrets, a lot of fail stories, and how I made it through and how you can, too. Think of my book like a best friend you can turn to at any time. Xo, Eva. **Teaching Russian Creatively With and Beyond the Textbook** Svetlana V. The reader will find many creative ideas and solid practical advice from colleagues who have experimented with task-based language teaching, corpus-based learning, drama-based pedagogy, community-engaged pedagogy, and technology-mediated language learning while incorporating authentic materials and turning them into living textbooks.
