came crashing through the driver's door right into the delicate body of my wife. It was 10:40 the morning of November 6, 2012. Nothing could have prepared me for what lay ahead. Rachel and I had seldom talked about what it would be like to lose each other. We had filed an official will with the Griffith Law Office in International Falls, Minnesota, many years before. We had both outlined basic funeral plans as well, and she had updated hers just the year before in 2011. But to actually try to imagine what such a scenario would be like, it just wasn't something we wanted to do.

The Billionaire's Surprise Baby
 Paige Turner, 2024-11-22. Congratulations, Miss Smith! The doctor called to Emma, who sat taken back by her doctor's claims. What? She quipped like she hadn't heard what he said. You're pregnant! Emma hoped it was a nightmare; that this was a clear joke. But it wasn't. Emma Smith's mother was very ill, and that had made her life hit rock bottom. She had to desperately look for a way to pay her bills. After having a single, one-night-of-passion with a handsome stranger at a club to earn money for her mother's expensive medication, she ends up in a situation that would change her life forever. Emma finds out that she was pregnant after she slept with the arrogant, handsome, and pompous billionaire Rowan King. Her life turns to chaos when she meets him again, and she is forced to keep the child. Can this unexpected destiny lead to anything more? Will Rowan see her as more than just a one-night-of-passion?

Goliath Fell
 S. M. Atwood, 2013-09-18. After experiencing nightmares of the Nazi invasion of Poland, Jozef Pokoj and his bride Ana emigrate to the United States. At the start of the Twentieth century, the Pokoj's settle in Hamtramck, Michigan, become American citizens, and change their name to Powell. Jozef eventually finds work at the Ford Motor Company. Edward, their eldest child, is introduced to the world of photography by a family friend, Trevor Humphries. After surviving the devastating Crash, Edward convinces Humphries to expand their business. Edward marries Sandra Latham, and they have a son, Christopher. When Christopher suffers a relapse of Chicken Pox at college and almost dies, he learns he cannot have children of his own. As the photographic industry reaches its boom in the 1970s, Powell Photographic takes its place as one of the biggest photographic plants in the country. Christopher marries a Vietnamese widow, Anne Thompson, who has a son, Ben, who turns out to be of questionable character. When new employee Vicki Brennan meets Anne, a bond forms between the two, and Ben becomes threatened. Goliath Fell is a story not only of human survival, financial success, civil rights, and the right to die; it is also a story of animal instinct and why some people go to the lengths they do not just to survive but to succeed.

Migration and Identity through Creative Writing
 Alka Kumar, Anna Triandafyllidou, 2023-10-03. This open access book brings together storytelling and self-narrative creative writing and narrative enquiry to explore a variety of topics in migration from an experiential lens. The volume is hybrid and multi-genre as it contains both scholarly chapters grounded in academic perspectives as well as personal essays and creative non-fiction. In addition to critical reflections on key migration topics and concepts like identity and diversity, integration and agency, transnationalism, and return, the scholarly chapters also propose a particular methodology for workshopping migration narratives and writing about personal lived experiences through iterations of scientific reflection, narrative enquiry, and

creative imagination The book explores the potential of a new conceptual paradigm and methodological process to learn more and also differently about the migration experience Finally this volume asks a bigger question too how do we define the boundaries of research is it possible to entirely separate the spatial temporal and methodological parameters in which projects are developed and pursued and how can the specifics of these multiple contexts contribute to shaping the knowledge being produced
