Secret Washington DC: A Guide to the Weird, Wonderful, and Obscure JoAnn Hill,2021-04-01 Around the world Washington DC is known for its powerful government majestic monuments and world renowned museums Secret Washington DC A Guide to the Weird Wonderful and Obscure reminds us that the fabric of

the city isn't solely embedded in its callous political parties exhausting lawmaking policies and rampant tourism. Rather, it's woven through its rich and complex history: mysterious relics, underground societies, forgotten and abandoned buildings, and controversial scandals. From the assassinations of Presidents Abraham Lincoln and James Garfield to Francis Scott Key's son to crimes of passion and rage at the US Capitol. Secret Washington DC uncovers many of the dark and untold truths of how our nation emerged. At the same time, it shines a bright light on the capital's numerous signs of creativity and innovation through the exploration of quirky art installations like Foamhenge and Barbie Pond on Avenue Q to oddly shaped and decorated homes like the Mushroom House and the Vanadu Art House. Local author and educator JoAnn Hill will introduce you to the other side of Washington DC: a treasure trove of mystique, peculiarities, and hidden history just waiting to be explored.

The Pairing Casey McQuiston, 2024-08-06. In 1 New York Times bestselling author Casey McQuiston's latest romantic comedy, two bisexual exes accidentally book the same European food and wine tour and challenge each other to a hookup competition to prove they're over each other. Except they're definitely not. Theo and Kit have been a lot of things: childhood best friends, crushes in love, and now estranged exes. After a brutal breakup on the transatlantic flight to their dream European food and wine tour, they exited each other's lives once and for all. Time apart has done them good. Theo has found confidence as a hustling bartender by night and aspiring sommelier by day with a long roster of casual lovers. Kit, who never returned to America, graduated as the reigning sex god of his pastry school class and now bakes at one of the finest restaurants in Paris. Sure, nothing really compares to what they had, and life stretches out long and lonely ahead of them, but yeah, it's in the past. All that remains is the unused voucher for the European tour that never happened, good for 48 months after its original date and about to expire. Four years later, it seems like a great idea to finally take the trip. Solo. Separately. It's not until they board the tour bus that they discover they've both accidentally had the exact same idea, and now they're trapped with each other for three weeks of stunning views, luscious flavors, and the most romantic cities of France, Spain, and Italy. It's fine. There's nothing left between them. So much nothing that when Theo suggests a friendly wager to see who can sleep with their hot Italian tour guide first, Kit is totally game. And why stop there? Why not a full-on European hookup competition? But sometimes a taste of everything only makes you crave what you can't have.
