Perfect for parents, teens, and kids alike.

Auction Fundraising Simplified Judy L. Anderson, 2010-05-14 Auctions are unique in the world of special events. They contain core elements of other fundraising events, but a critical factor is that they also must procure auction items to match their clientele and then motivate those bidders to buy. True success requires the application of creative strategy to every facet of the event, as well as the use of organized systems to stay on track. *Auction Fundraising Simplified* shows how to think outside the box, provides examples and worksheets, and will help add thousands of dollars to the bottom line. Contained within these pages is information about skills needed to be a successful auction director. Insider tips and strategies for thinking outside the box. Identifying auction demographics and laying a strong foundation. Examples, systems, timelines, and worksheets for all auction elements. Choosing an effective auctioneer. Determining what committees are needed and how to keep them on track. Ideas for recruiting sponsors, donors, and attendees. Targeted procurement techniques for obtaining auction items. Packaging auction lots for the highest sale. Catalog writing processes and tips to save time. Negotiating contracts with venues, caterers, suppliers, and others. Food and beverage suggestions for menu planning and service. Ways to market and promote your auction. Creating site plans and logistics schedules. Contracting for production, stage, sound, lighting, visual media, entertainment. Using volunteers for maximum effect. Pre and post auction activities. The easy-to-read format and systems in *Auction Fundraising Simplified* have been successfully used by auction managers of all skill levels and by academic institutions as a teaching tool. We guarantee this book will pay for itself many times over in time and financial gain.

Event Management Simplified Judy L. Anderson, 2010-03-04 Creating special events may look easy to those who attend, but to do it well requires a great deal of knowledge, creativity, and organizational skill. *Event Management Simplified* contains a wealth of information and how-to knowledge that can be used by both seasoned event planners and those just learning the ropes. Contained within these pages is information about skills needed to be an event professional and where to find jobs. Insider tips and strategies for thinking outside the box. Identifying event demographics and laying a strong foundation. Examples, systems, timelines, and worksheets for all event elements. Determining if committees are needed and how to keep them on track. Ideas for recruiting sponsors, donors, exhibitors, and attendees. Risk management, obtaining permits, and working with jurisdictions. Elements of negotiating contracts with venues, vendors, and others. Food and beverage tactics for menu planning, service, and contracting. Ways to market and promote your event. Creating site plans and logistics schedules. Contracting for stage, sound, lighting, electronic media, entertainment. Using volunteers for maximum effect. Pre and
