**No Woman Left Behind** Kate Grant, 2025-06-24 NOW A USA TODAY BESTSELLER INSPIRATION FOR HOW TO CREATE A LIFE OF PURPOSE NO WOMAN LEFT BEHIND IS THE UNLIKELY STORY OF HOW ONE WOMAN LEAVES MADISON AVENUE AND TACKLES THE GLOBAL MATERNAL HEALTH CRISIS HEAD ON PREFACED BY A POWERFUL FOREWORD BY BEST SELLING AUTHOR ABRAHAM VERGHESE 2025

International Book Award Winner in Autobiography Memoir In this rousing debut Grant demonstrates how the faith and actions of a small group of people can save the world BookLife Reviews Editor's Pick A call to action for compassionate advocates and a stunning tale of how deeds triumph over platitudes Dr Denis Mukwege winner of the Nobel Peace Prize The day a woman gives birth is also the day she is most likely to die or suffer severe injury a sobering reality that comes into sharp focus when Kate Grant visits the Addis Ababa Fistula Hospital in Ethiopia's capital There she sees row after row of beds occupied by young women afflicted with obstetric fistula a childbirth injury that leaves them incontinent and too often shunned by their communities modern day lepers She soon learns that surgery is the only way to end their suffering In No Woman Left Behind Grant recounts her decision to abandon a promising advertising career and the ups and downs of building Silicon Valley based Fistula Foundation from a modest start up into the global leader in fistula treatment Through vivid firsthand accounts of surgeons toiling in remote corners of Africa and Asia we see inside the fight to restore hope to some of the world's most vulnerable women A compassionate army of donors spanning nearly 70 countries makes such life changing care possible Grant demonstrates the profound power of individual action to change lives at scale since Fistula Foundation takes no government money No Woman Left Behind is a compelling personal journey and a how to guide for anyone looking to make a lasting difference in the lives of others 100% of the author's net proceeds from No Woman Left Behind will go to Fistula Foundation's Love a Sister program to fund free surgeries for women with childbirth injuries

**Great Boards for Small Groups** Andy Robinson, 2006 Yours is a good board but you want it to be better You want clearly defined objectives Meetings with more focus Broader participation in fundraising And more follow through between meetings You want these and a dozen other tangibles and intangibles that will propel your board from good to great Say hello to your guide Andy Robinson who has a real knack for offering forehead slapping solutions Of course Why haven't we been doing this Take what he says about written agreements among board members Any meaningful job description must be reciprocal it defines what is expected of you but also what you can expect in return Example I accept fiduciary responsibility for the organization and will oversee its financial health and integrity By the same token I expect timely accurate and complete financial statements to be distributed at least quarterly one week in advance of the relevant board meeting In other words the board knows what to expect the staff knows what to do Each is accountable Simple right So why does the 10 item sample agreement Robinson provides seem so revolutionary Perhaps because so few people have tried an agreement like this

Then there s what the author calls the Fundraising Menu Here board members are asked to generate a list of all the ways direct and indirect they could assist in fundraising The list is prioritized and then used to help each trustee prepare a personalized fundraising agreement that meets his or her specific needs interests and limitations Again simple but it s the closest thing you ll find to guaranteeing a board s commitment to raising money Toward the end of his book in a number of How to Fix It chapters Robinson homes in on specific problems such as poorly attended meetings spotty follow through on commitments inactive board members narrow consensus conflicts of interest weak agendas and much more And Robinson doesn t offer up easy nostrums Quite the opposite Over the past 20 years as a board member a volunteer and a consultant he s put into practice what he preaches and stands unshakably behind his fog burning advice Great Boards for Small Groups contains 31 brief chapters In fact the whole book can be read in an hour Funny thing though its impact on those who heed its advice will last for years

**Demons in the Sanctuary** Miriam E. Bellamy,2008 A monumental battle rages between mighty angel warriors and a vast horde of nightmarish demons who have established a stronghold within an unsuspecting church The pastor a charming man with magnetic personality is doted upon by his followers most of whom are unaware of his arrogant pride and unethical conduct The affairs of the church he controls with an iron fist abusing his leaders unmercifully Many have left broken and wounded while others look the other way unable to stand against the enormous spirits controlling the man A neophyte board of directors find themselves faced with a terrible dilemma when they finally realize the extent of his wickedness Will they choose to stand for righteousness demanding accountability or will they abandon the responsibilities of their leadership role It is only as they face off against this self styled prophet of the Lord that they fully realize his formidable ability to divide and conquer with manipulation and intimidation As the human struggle continues heavenly hosts clash with the entrenched army of evil in a desperate attempt to overthrow the designs of the savage Python spirit and monstrous demon master Jezebel in order to win back the territory and save embattled believers

**Beyond the Bake Sale** Jamie Simek,2022-02-20 If food is nourishment to a person money is sustenance for most nonprofit organizations Yet

many small organizations rely on one off efforts and get rich events in place of real fundraising strategies Just because an organization is small or volunteer run or located in a rural area does not mean its leaders can't professionalize their fundraising establish effective processes and build genuine relationships that will lead to the ultimate goal people giving to people Beyond the Bake Sale Fundraising for Local History Organizations meets organizations where they are cutting through all of the assumptions and mumbo jumbo taking professional fundraising strategies and scaling them to an accessible level Designed specifically for small cultural heritage organizations this book is written with their unique challenges in mind From caring for objects based collections to succeeding with minimal or no permanent staff to grant writing for those who've never written grants this book is for local history organization leaders doing critical work to care for our shared history Complete with explanations examples and thought provoking questions this book challenges local history leaders to brainstorm communicate experiment and plan Blank worksheets encourage readers to put ideas down in writing and establish processes to build upon Whether read cover to cover or used as a reference text for specific topics users will find material that begins with a broad overview before narrowing to focus on tips and tactics that will help grassroots fundraisers feel more comfortable confident and confident in their efforts Above all else this book is grounded in the idea that fundraising is an intentional people focused process built on genuine personal relationships This philosophy should be as accessible to leaders at small cultural heritage organizations as to anyone else doing important nonprofit work in their communities
