

Thank you Veteran

Thank you for your bravery
defending our beautiful country.

We have What we have only
because of selfless people like you.

You have sacrificed so
much for complete strangers like
me and words could
never express my gratitude for
what you have done.

God bless you and God bless
America.

Japanese survivors and presents new evidence about the disappearance of the famed Japanese commander Lieutenant General Tadamichi Kuribayashi who waged a brilliant defense of the island only to allegedly commit suicide rather than submit to the Americans Smith also investigates the controversy surrounding Rosenthal's famous photograph of the flag raising and he interviews bomber and fighter crewmen to hear firsthand whether they believed the terrible cost of capturing the island was truly justified by its strategic use as an emergency stop for B 29 Superfortress bombers Through the story of Navy Cross recipient John Ripley Smith brings the history of the island up to date from its return to Japan in 1968 to the dramatic discoveries made in the caves of Iwo in the 1980s and the Japanese American Reunion of Honor now held annually on the island With dozens of photographs and maps Iwo Jima is a stunning history of this emblematic battle but it is also a personal history of the generation of soldiers many now in their final years who waged one of the most important wars in American history *Hearings* United States.
