

# Leadership

Leaders off those gifts surprise someone most

On the day of departure as soon as possible.

The executioner lazily rests his laurels not to be messed,

Not enacting playing of soccer or rugby.

The command when all the decisions are being made

Are followed by the restrictions and laziness.

Ranks of soldiers align our behaviour,

Beautiful electricity some of us,

The separate natures in each area of folly

Are corrected and adjusted.

Leaders perform levels of work, work on the haze,

The mist is connected to the gaze we adjust.
