Crawl to me. Jo's voice was a low, dangerous command. I crossed my arms, glaring at him, trying to ignore the pulse of my blood and the heat pooling between my legs. Make me. I shot back. His smirk was the only warning I got. I knew I was in deep trouble. Joan Madison has always despised Aaron Thompson, her best friend's arrogant, insufferable brother. The feeling was mutual until it wasn't. A vacation meant to be a getaway with her friend Rhoda takes a sharp turn when Joan finds herself tangled in a steamy, reckless encounter with the one man she swore she'd never want. What should've been a fleeting mistake becomes something far more dangerous as Aaron refuses to let her go, and his hunger for her only deepens. Jo's trapped between desire and defiance, but one thing is clear: this game they've started could burn them both. **Finn: A Best Friend's Brother Mafia Romance** LK Shaw, 2023-11-16

I'm a member of the wealthiest and most powerful family in Dublin. We rule the city, and I can have anything I want. Except something is missing from my life. When I meet Teagan, I realize what it is. Her. From the beginning, I'm all in. But she's running scared from someone who hurt her and has no interest in romance or love. When he comes for her, I offer my protection. But my family's not without its enemies. Danger is coming to our door, and not everyone will survive. Autoportrait Edouard Levé, 2012-03-15

In this brilliant and sobering self-portrait, Edouard Levé hides nothing from his readers, setting out his entire life more or less at random in a string of declarative sentences. Autoportrait is a physical, psychological, sexual, political, and philosophical triumph. Beyond sincerity, Levé works toward an objectivity so radical it could pass for crudeness, triviality, even banality: the author has stripped himself bare. With the force of a set of maxims or morals, Levé's prose seems at first to be an autobiography without sentiment, as though written by a machine. Until, through the accumulation of detail and the author's dry, quizzical tone, we find ourselves disarmed, enthralled, and enraptured by nothing less than the perfect fiction made entirely of facts. Shortlisted for the Best Translated Book Award in 2013. **Nobody's Home** Jade Black, Jade is a little girl growing up in a small town of two thousand people. She doesn't know any better, but to take the abuse her mother has to dole out. Her father doesn't acknowledge her or try to save her, although he knows what is going on. This story is about how a little girl gets through her childhood, not knowing where to turn or where to run. Everywhere she looks and thinks to go for help, she finds that her mother has already painted her as an uncontrollable child. When Jade looks for help, she receives blank stares back, as if nobody's home. She finds the strength to survive it all, only to start out her adulthood unsure of what the future is holding for her. *Nobody's Home* was written to inspire others who are in the same situation or know someone who needs help that is in an abusive household. *The Choice I Made When I Was Twenty-Three* Mark Sevillano Jr., 2014-03-05

The choice I made when I was twenty-three is about a young

man's becoming of age story. It's about overcoming battles with identity, sexuality, and spirituality. At age twenty-three, Mark faces his secrets, pain, and anger from the past and announces to his parents that he is gay. After his announcement, he begins feeling empty and desperate, once again searching for help and answers. One day in his room, he receives help in a way he least expected. Mark perseveres through some of his hardest moments in life, eventually marrying his true love. Through it all, he realizes that everything people do, become, and achieve all starts with the power of a choice. Here is Mark's story of hope to those who have ever wondered, who am I? What am I here for? And how one choice can put you in a brand new direction that will change your life forever. [The Frater of Psi Omega](#), 1906 [The Love Series Complete Box Set](#) Melissa

Babylon System Rodrigo Bascunan, Christian Pearce, 2010-06-18. A docu-style investigation of our fascination with the gun from the perspective of the hip-hop generation. The 2003 shooting death of Toronto community centre worker Kempton Howard put the spotlight on hip-hop's fixation with guns. Media and police soon blamed rap music and its tales of gang life on bullet-ridden US streets for the rising use of firearms in Canadian crime. Were these songs artful accounts of a terrible truth or a self-fulfilling prophecy? Rodrigo Bascunan and Christian Pearce have interviewed many of the major players in the hip-hop world. As publishers of an award-winning magazine of urban culture, they'd watched rap music become a scapegoat for society's much older and widely spread fascination with guns. What follows is their international adventure to deconstruct modern gun culture in all its manifestations. Bascunan and Pearce seek out hip-hop artists, illegal gun runners, firearms aficionados, and manufacturers, museum curators, academics, politicians, video game creators, activists, victims of gun violence, and the family and friends left behind. Somewhere between *Fast Food Nation*, *No Logo*, and a Michael Moore documentary featuring sly sidebar material and original artwork, *Enter the Babylon System* is part outrageous journalistic pursuit and part passionate cri de coeur for sanity in the face of a society's obsession.
