Coaching Tennis Successfully covers key areas for developing a winning tennis programme including all key on and off court organization and management duties *Sex Discrimination Regulations* United States. Congress. House. Committee on Education and Labor. Subcommittee on Postsecondary Education,1975 *What Do Principals Do?* Jonathan Hurst,2021-04-01 What Do Principals Do provides a comprehensive and expansive look into a high school principal s job Rather than a survey asking principals how much time they spend on various tasks this work provides empirical evidence of exactly what a principal does every day of the year and how much time he spends doing it Based on the results of a three year longitudinal study conducted by a California High School Principal of the Year Association of California School Administrators 2012 this book reveals precisely what a principal does when he does it and how much time he spends doing it The study identifies 72 discrete tasks performed by principals and examines how much time disaggregated by day week month and year they spend on each of those 72 tasks The results of the data collection are the foundation of the book The findings are supplemented with explanations and analyses that reveal the workings of K 12 education and give readers a glimpse of life in a comprehensive high school This is a must read for everyone considering a life in public school administration The author Dr Jonathan Hurst the longest running principal in Elsinore High School s 130 year history provides insightful commentary and relevant anecdotes from a rich and rewarding career served in a large comprehensive high school in Southern California This book provides detailed quantitative evidence and an explanation for just what a principal does and how much time he spends doing it In the process it demonstrates the requisite skills for effective school governance administrative multi tasking and productive principal behavior Data collected covers three years and encompasses over 20 500 tasks and 7 500 hours of work This is a useful augmentation to existing administrative credential course readings as it provides evidence for what the research and authors are saying and demonstrates those skills procedures and operations that are an everyday part of a school administrator s job But the appeal for What Do Principals Do goes beyond those seeking knowledge about educational administration Besides the facts and figures about how a principal spends his time Dr Hurst offers explanations for why and how the time is spent and he provides insight into the

educational scene This book has appeal for students in teacher education programs because it explains school communities and life in a school system and that also makes it appealing to the lay person or parent who wants to understand how schools work **The Awakening in Tennis** José Antonio Casares-Falconi, 2019-09-18 Read how the science of Quantum Physics

proves that our mind expectations thoughts emotions or faith can have a direct impact on our reality and results inside and outside of the court Jos presents a detailed one of a kind perspective on how the mind functions in conjunction with sports and everyday life He teaches you how the mind is the first priority and line of defense needed to achieve the highest levels of game play and skill Jose s extensive study of the greatest MINDS in history proves that all of those human beings knew all these Natural Divine Laws and that s why they ve had such an impact in our world The Awakening in Tennis will change the way you see sports and life It will force you to grow and make changes in the way you think by learning how to arrange your thoughts positively on a daily basis Ready to read the best tennis book ever *Algorithms in Decision Support Systems*

Vicente García-Díaz, 2021-03-19 This book aims to provide a new vision of how algorithms are the core of decision support systems DSSs which are increasingly important information systems that help to make decisions related to unstructured and semi unstructured decision problems that do not have a simple solution from a human point of view It begins with a discussion of how DSSs will be vital to improving the health of the population The following article deals with how DSSs can be applied to improve the performance of people doing a specific task like playing tennis It continues with a work in which authors apply DSSs to insect pest management together with an interactive platform for fitting data and carrying out spatial visualization The next article improves how to reschedule trains whenever disturbances occur together with an evaluation framework The final works focus on different relevant areas of DSSs 1 a comparison of ensemble and dimensionality reduction models based on an entropy criterion 2 a radar emitter identification method based on semi supervised and transfer learning 3 design limitations errors and hazards in creating very large scale DSSs and 4 efficient rule generation for associative classification We hope you enjoy all the contents in the book **The Michigan Alumnus** ,1980 In volumes 1 8

Whening Tennis In Tennis as in Life Timing is Everything is an instructional book It is unique in that it does not focus on the how to of playing the game as much as the when to for more tennis success The author s primary focus on when decisions is an entirely new instructional approach for many aspects of the game When a player learns to combine good when decisions with real effort to play the game to the best of their ability regardless of the final score winning has been achieved Thus Whening Tennis becomes winning tennis the essence of the book The subtitle In Tennis as in Life Timing is Everything emphasises the importance of when decisions and their crossover from tennis into life s experiences What a fantastic job

Larry Huebner has done with his great publication WHENING TENNIS First one would be hard pressed to find anyone more qualified to write about tennis than Larry no one is more respected in the tennis world by people who know the game Second how refreshing it is to have something other than just a How to book to help one understand and enjoy tennis more Larry has done a fantastic job in selecting simplifying and organizing his topics Everything Larry writes about is relevant to today s game I enthusiastically recommend this book for players of all abilities as well as parents ENJOY Dick Gould Coach of 17 NCAA Men s Championships Director of Tennis Stanford University For more information try the website at www.wtennis.com or see the link to the student workbook Whening Tennis Student Workbook
