**The Ways of Judgement** Oliver O'Donovan, 2008-01-29 In this probing book Oliver O'Donovan extends the exploration into the correspondence between theology and politics that he began in *The Desire of the Nations* While that earlier work took as its starting point the biblical proclamation of God's authority *The Ways of Judgment* approaches political theology from the political side Responsive to developments such as the uncertain role of the United Nations after the Cold War and the expansion of the European Union O'Donovan also draws on the extensive tradition of Christian political thought and a range of contemporary theologians Rather than supposing as does some political theology that the right political orientations are well understood and that theological beliefs should be renegotiated to fit them O'Donovan considers contemporary social and political realities to be impenetrably obscure and elusive Finding the gospel proclamation luminous by contrast O'Donovan sheds light from the Christian faith upon the intricate challenge of seeking the good in late modern Western society Pursuing his analysis in three movements O'Donovan first considers the paradigmatic political act the act of judgment and then takes up the question of forming political institutions through representation Finally he tackles the opposition between political institutions and the church provocatively investigating how Christians can be the community instructed by Jesus to judge not

**Fundamental Laws** Rose Cross Order,1916      Distrust Gary Smith,2023 This book argues that our growing distrust of science is fuelled by tools scientists themselves created as technological advances and developments in data analysis have led to disinformation data torturing and data mining Smith examines these issues and offers solutions for restoring the credibility of the scientific community

**Founding Moments in Constitutionalism** Richard Albert,Menaka Guruswamy,Nishchal Basnyat,2019-10-17 Founding moments are landmark events that break ties with the ancien r gime and lay the foundation for the establishment of a new constitutional order They are often radically disruptive episodes in the life of a state They reshape national law reset political relationships establish future power structures and influence happenings in neighbouring countries This edited collection brings together leading and emerging scholars to theorise the phenomenon of a founding moment What is a founding moment When does the founding process begin and when does it end Is a founding moment possible without yielding a new constitution Can a founding moment lead to a partial or incomplete transformation And should the state be guided by the intentions of those who orchestrated these momentous breaks from the past Drawing from constitutions around the world the authors ask these and other fundamental questions about making and remaking constitutions

The Methodology of Constitutional Theory Dimitrios Kyritsis,Stuart Lakin,2022-02-24 What sort of methods are best suited to understanding constitutional doctrines and practices Should we look to lawyers and legal methods alone or should we draw upon other disciplines such as history sociology political theory and moral philosophy Should we study constitutions in isolation or in a comparative context To what extent must constitutional methods be sensitive to empirical data about the functioning of legal practice Can ideal theory aid our understanding of real constitutions This volume brings together constitutional experts from around the world to address these types of questions through topical events and challenges such as Brexit administrative law reforms and the increasing polarisations in law politics and constitutional scholarship Importantly it investigates the ways in which we can ensure that constitutional scholars do not talk past each other despite their persistent and often fierce disagreements In so doing it aims systematically to re examine the methodology of constitutional theory

**Redefining Organised Crime: A Challenge for the European Union?** Stefania Carnevale,Serena Forlati,Orsetta Giolo,2017-12-28 The definition of organised crime has long been the object of lively debate at national and international level Sociological and legal analysis has not yet led to one definitive answer to the question of what exactly organised crime means Nonetheless many instruments adopted both at international and national levels set forth special legal regimes designed to target criminal groups featuring a stable organisation which are perceived as particularly dangerous to society Therefore identifying the notion of organised crime is crucial to establishing the scope of any legal instrument specifically designed for combating it The aim of this book is to reassess the scope the effectiveness and the overall coherence of existing definitions of organised crime and to identify any need for a reconsideration of these definitions specifically with reference to the EU legal order It will be of interest to academics practitioners and legislators

Revelation this is the very first of 7 seals then 7 angels then 7 vials that are poured upon Earth KJV Revelation 6 2 And I saw and behold a white horse and he that sat on him had a bow and a crown was given unto him and he went forth conquering and to conquer The white horse went forth conquering Not mentioning to kill but to conquer as on a conquest The street teachers are conquering when they give their testimony on the streets When they successfully wake up ISRAELITES that are sleeping on the truth is the conquest 1 Esdras 4 38 There are ISRAELITES on a conquest all over Earth conquering people with their prophecy Prophecies are preachings from the Bible and to make The Sense this require a minimum of two witnesses In Revelation 19 the white horse comes from Heaven Christ Second Coming with conquered ISRAELITES in Revelation 6 2 for the marriage Revelation 19 7 of World War 4 Revelation 17 14 19 11 19 KJV Revelation 19 11 And I saw Heaven opened and behold a white horse and He that sat upon him was called Faithful and True and in righteousness He doth judge and make war After the street teachers there is Civil War 2 in America and civil unrest in other lands as the third seal Revelation 6 5 6 That will evolve into World War 3 as the fourth seal Revelation 6 8 This is three of the seven seals on back of a book that was in GOD s right hand in Revelation 5 1      **The UN International Criminal Tribunals** William A. Schabas, 2006-07-20 This book is a guide to the law that applies in the three international criminal tribunals for the former Yugoslavia Rwanda and Sierra Leone set up by the UN during the period 1993 to 2002 to deal with atrocities and human rights abuses committed during conflict in those countries Building on the work of an earlier generation of war crimes courts these tribunals have developed a sophisticated body of law concerning the elements of the three international crimes genocide crimes against humanity and war crimes and forms of participation in such crimes as well as other general principles of international criminal law procedural matters and sentencing The legacy of the tribunals will be indispensable as international law moves into a more advanced stage with the establishment of the International Criminal Court Their judicial decisions are examined here as well as the drafting history of their statutes and other contemporary sources

*UFOs, Conspiracy Theories and the New Age* David G. Robertson, 2016-02-25 How and why were UFOs so prevalent in both conspiracy theories and the New Age milieu in the post Cold War period In this ground breaking book David G. Robertson argues that UFOs symbolized an uncertainty about the boundaries between scientific knowledge and other ways of validating knowledge and thus became part of a shared vocabulary Through historical and ethnographic case studies of three prominent figures novelist and abductee Whitley Strieber environmentalist and reptilian proponent David Icke and David Wilcock alleged reincarnation of Edgar Cayce the investigation reveals that millennial conspiracism offers an explanation as to why the prophesied New Age failed to arrive it was prevented from arriving by malevolent hidden others Yet millennial conspiracism constructs a counter elite a gnostic third party defined by their special knowledge An overview of the development of UFO subcultures from the perspective of religious studies *UFOs Conspiracy Theories and the New Age* is an innovative application of discourse analysis to the study of present day alternative religion      *Specimen of a Catalogue of*

The Prosecutor in Transnational Perspective Erik Luna, Marianne Wade, 2012-08-20 The American prosecutor plays a powerful role in the judicial system wielding the authority to accept or decline a case choose which crimes to allege and decide the number of counts to charge These choices among others are often made with little supervision or institutional oversight This prosecutorial discretion has prompted scholars to look to the role of prosecutors in Europe for insight on how to reform the American system of justice In *The Prosecutor in Transnational Perspective* Erik Luna and Marianne Wade through the works of their contributors coupled with their own analysis demonstrate that valuable lessons can be learned from a transnational examination of prosecutorial authority They examine both parallels and distinctions in the processes available to and decisions made by prosecutors in the United States and Europe Ultimately they demonstrate how the enhanced role of the prosecutor represents a crossroads for criminal justice with weighty legal and socio economic consequences

Imagining World Order Chenxi Tang, 2018-12-15 In early modern Europe international law emerged as a means of governing relations between rapidly consolidating sovereign states purporting to establish a normative order for the perilous international world However it was intrinsically fragile and uncertain for sovereign states had no acknowledged common authority that would create change apply and enforce legal norms In *Imagining World Order* Chenxi Tang shows that international world order was as much a literary as a legal matter To begin with the poetic imagination contributed to the making of international law As the discourse of international law coalesced literary works from romances and tragedies to novels responded to its unfulfilled ambitions and inexorable failures occasionally affirming it often contesting it always uncovering its problems and rehearsing imaginary solutions Tang highlights the various modes in which literary texts some highly canonical Cam es Shakespeare Corneille Lohenstein and Defoe among many others some largely forgotten yet worth rediscovering engaged with legal thinking in the period from the sixteenth to the eighteenth century In tracing such engagements he offers a dual history of international law and European literature As legal history the book approaches the development of international law in this period its so called classical age in terms of literary imagination As literary history Tang recounts how literature confronted the question of international world order and how in the process a set of literary forms common to major European languages epic tragedy romance novel evolved

Clausewitz and the State Peter Paret, 2018-06-05 Originally published in 1976 *Clausewitz and the State* presents a comprehensive analysis of one of the significant thinkers of modern Europe Peter Paret combines social and military history and psychological interpretation with a study of Clausewitz s military theories and of his unduly neglected historical and political writing This timely new edition includes a preface which allows Paret to recount the past thirty years of discussion on Clausewitz and respond to critics A companion volume to *Clausewitz s On War* this book is indispensable to anyone interested in Clausewitz and his theories and their proper historical context
