The Cinema of Alexander Sokurov Jeremi Szaniawski, 2013-11-22 One of the last representatives of a brand of serious high art cinema Alexander Sokurov has produced a massive oeuvre exploring issues such as history power memory kinship death the human soul and the responsibility of the artist Through contextualization and close readings of each of his feature fiction films broaching many of his documentaries in the process this volume unearths a vision of Sokurov's films as equally mournful and passionate intellectual and sensual and also identifies in them a powerful if discursively repressed queer sensitivity alongside a pattern of tensions and paradoxes This book thus offers new keys to understand the lasting and ever renewed appeal of the Russian director's Janus like and surprisingly dynamic cinema a deeply original and complex body of work in dialogue with the past the present and the future

There She Goes Again Aviva Dove-Viebahn, 2023-12-15 *There She Goes Again* interrogates the representation of ostensibly powerful women in transmedia franchises examining how presumed feminine traits love empathy altruism diplomacy are alternately lauded and repudiated as possibilities for effecting long lasting social change By questioning how these franchises reimagine their protagonists over time the book reflects on the role that gendered exceptionalism plays in social and political action as well as what forms of knowledge and power are presumed distinctly feminine The franchises explored in this book illustrate the ambivalent post feminist representation of women protagonists as uniquely gifted in ways both gendered and seemingly ungendered and yet inherently bound to expressions of their femininity At heart *There She Goes Again* asks under what terms and in what contexts women

protagonists are imagined envisioned embodied and replicated in media Especially now in a period of gradually increasing representation women protagonists demonstrate the importance of considering how we should define and whether we need feminine forms of knowledge and power **James Thomson (B.V.)** Imogene B. Walker, 2019-06-30 Previous studies of James Thomson B V failed to consider adequately the significant relationship between the man and his poetry a failure which Mrs Walker corrects in the present work That poet of the Victorian Age who was so correctly labeled The Laureate of Pessimism will find renewed appreciation from students of the period who read this book
