*The Private Life of Spies and The Exquisite Art of Getting Even* Alexander McCall Smith, 2023-05-09 From the beloved author of the No 1 Ladies Detective Agency series comes a new short story collection half spy stories half tales of revenge all highlight the kinder funnier and gentler side of espionage and retribution In this dual collection of short stories Alexander McCall Smith brings his trademark humor and warmth to inventive tales of spying and vengeance In one story a spy dropped deep into enemy territory manages to disguise himself quite convincingly as a nun In another an invitation to join the Vatican Secret Service sends a prospective operative down a rabbit hole of controversy and confusion A third story finds an author on the brink of public ruin seeing the error of his ways after an act of kindness saves the day A keen observer of humanity imbued with a sparkling imagination Alexander McCall Smith illustrates throughout that transparency is paramount and forgiveness is restorative With surprising insight and a healthy helping of humor these stories remind us that in the end the high road is often the better one for all involved
