The Ascension Prophecy The Time Is Now:

Prophetic Outlines. Second Series. The Times of the Gentiles, as Scripturally Foreshadowed, Briefly

Considered ... John Rees Mogg,1868 *The Prophetic Times* ,1863 *Beyond Ascension* Joshua David Stone,1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source THE EXCITING TRUTH ABOUT THE END-TIMES B. Vincent Shelton,2014-10-29 The prophets of old warned that certain key end time prophecies wouldn't be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the time of the end has come Today we can scripturally prove the answers to questions like Will the Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John's vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you **Understanding Bible Prophecy and the End Times** P. L. Ditshego,2016-06-16 Understanding Bible Prophecy and the End Times is an insightful practical and thought provoking book preparing the church the world and government leaders to understand God's prophetic time clock and the signs of the end times How God controls the course of world history as revealed and proven by the records of scripture What is the New World Order who is behind its formation what is the rationale for its formation and what are its characteristics Who is the coming super world dictator and what would be the features of his reign of terror When will the Church be raptured pre mid or post tribulation What is the Mark the Image and the Number of the Beast that Revelations 13 is warning us against Phases of the resurrection and their relevance on the End Time phenomenon End Time judgements of God and the Marriage Supper of lamb The nature characteristics and purpose of the Millennial Kingdom How can we prepare ourselves in the light of Bible Prophecy and its fulfilment with current events Undoubtedly reading this book will sharpen your perception and make you a sound student of Bible Prophecy *End-Time Prophecy* Børge Beck,2023-03-09 Along with a correct understanding of the Bible as the God breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the

allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God's dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2:3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulation Rapture of the Church

History unveiling prophecy; or, Time as an interpreter Henry Grattan Guinness, 1905 *The Coming Battle, and the appalling national convulsions foreshown in prophecy immediately to occur during the period 1861-67, etc. (Third edition.)* Michael Paget BAXTER, 1866 *The Gnostic Luciferian New Age Babylon Revisited* Gregory Lessing Garrett, 2019-09-30 The Gnostic Luciferian New Age Utopia will be based upon a Mystery Babylon re visitation of tolerance for all behaviors narcissistically self indulgent sexually perverse psychoactively induced and sinfully decadent with self worship and self adulation as the highest pinnacle of religious zeal Additionally utilizing the trickery and artifice of an Alien Antichrist Messiah Deception the Luciferian Elite seek to obliterate Christianity and replace it with a Gnostic Pantheistic Cosmogogenesis narrative where Ancient Aliens are our true genetic origins and Cosmic Evolution with Mankind in tow is the Grand Design of the Universe Since this is a very real situation which effects all the world in the direst sort of way the contents of this book are relevant to all citizens of the world This book bravely explores the various guises that this repackaged Babylonian Gnostic Luciferianism has taken and how it got to this point as well as offers answers to this nefarious situation
