A Detective Story* Mrs. Charles Bryce, 1915 **The Ashiel mystery** Charles Bryce, 2015-10-31 When Sir Arthur Byrne fell ill after three summers at his post in the little consulate that overlooked the lonely waters of the Black Sea he applied for sick leave Having obtained it he hurried home to scatter guineas in Harley Street for he felt all the uneasy doubts as to his future which a strong man who has never in his life known what it is to have a headache is apt to experience at the first symptom that all is not well Outwardly he pretended to make light of the matter Drains that s what it is he would say to some of the passengers to whom he confided the altered state of his health on board the boat which carried him to Constantinople As soon as I get back to a civilized sewage system I shall be myself again These Eastern towns are all right for Orientals and what is your Muscovite but an Oriental in all essentials of hygiene But they play the deuce with a European who has grown up in a country where people still indulge in a sense of smell And if anyone ventured to sympathize with him

or to express regret at his illness he would snub him fiercely But for all that he felt convinced in his own mind that he had been attacked by some fatal disease He became melancholy and depressed and if he did not spend his days in drawing up his last will and testament it was because such a proceeding in view of the state of his banking account would have partaken of the nature of a farce Having a sense of humour he was little disposed just then to any action whose comic side he could not conveniently ignore

The Ashiel Mystery Charles Bryce,2014-12-09 was out Sir Arthur was heart broken He packed Juliet off to a convent school near Buenos Ayres and shut himself up in his consulate refusing to meet those who would have offered their sympathy and going from his room to his office and back again like a man in a dream Not for more than a year did Juliet see again the only friend she had now left in the world and it was then she heard for the first time that he was not really her father and that the woman she had called Mother had had no right to that name She was fifteen years old when this blow

The Ashiel Mystery Charles Bryce,Mrs Charles Bryce,2016-08-21 It is the difficulty of the Police Romance that the reader is always a man of such vastly greater ingenuity than the writer Robert Louis Stevenson Show Excerpt with three little girls of whom the eldest was fifteen She had not the enormous wealth which is often one of her countrywomen s most pleasing attributes but she was moderately well off and came of a good Colonial family Having lived for several years in England she had grown to prefer the King s English to the President s and had dropped almost completely the accent of her native country She was extremely well educated and talked three other languages with equal correctness her first husband having been attached to various European legations Altogether she was a charming and attractive woman and there were many who envied Sir Arthur for the second time in his life It was not perhaps her fault that she did not take very kindly to Juliet The girl resented the place once occupied by her dead mother being filled by any newcomer and was not it is to be feared at sufficient pains to hide her feelings on the point And the second Lady Byrne was hardly to be blamed if she remembered that
