The Journal of the Assembly During the ... Session of the Legislature of the State of California California. Legislature. Assembly, 1967 To Hell and Gone Jim Nolan, 2016-05-21 When I met Ms Kate Carlisle at the Kingsbridge VA in Bronx New York I had accidentally made reference to something that was said by connecting it to an action I had in the service When I realized I had said something I did not want to divulge I tried to let it hang She noticed my discomfort and said I am very interested in things about WW2 You should write about your experiences I think I offhandedly replied Oh I could write a book about my combat experiences but I never typed anything in my life To which she countered You write and I'll type She was serious and I wrote and she good to her word kept typing and asking for more The project ended abruptly when she was transferred to Boston to work on her PHD It would have probably died there but upon mentioning it to my daughter Patricia she then provided me with an old computer and some lessons so I had no excuse To you who have never tried writing is real work Now everyone was waiting to see what the baby was going to look like I was now in labor and that takes time I said this to those who had great expectations of me as a writer The balky computer was giving me all the cover I needed to quit because due to my ineptness it was only operating on certain days My son Kevin became Mr Fix It with the computer and while I loved his company I couldn't have him spend the time fixing it so I eventually broke down and bought a new laptop with a printer Now I was in business Well I found out you could play solitaire and chess on this machine as well as type Guess what I got involved with until I got a call from Trafford publishing Well now I had to finish my writing Lastly I must acknowledge and thank all who will read this book which spans the era from my birth in 1925 which was in the period Roaring Twenties Then we lived through the 1930s the Great Depression in the worst in the history of our nation and

concluded in 1945 with the end of the greatest war in history I was honorably discharged from the army in 1946 I will give you more than a snapshot of those above events which is a lot more than the few lines the kids get to read in their high school history books of this exhausting string of decades including war that covered actions in five continents What you dont often read in textbooks is the daily life and the drama it brings to ordinary people in such times You will meet my family They are not only of my bloodlines but my real buddies You will read about my faith which I love dearly and I try to live it I really cant understand people who try to live without its benefits We who had our lives chastised by so much life are now judged as living in a historic era and said to be of the greatest generation As an eyewitness to those historic times and now an overripe geriatric of age 89 I only wish to put into our accumulated history what I can pass on to the greater generation of my grand and great grandchildren To do this I thought it best to start at the beginning *Museums and Art Galleries as Educational Agents* Ernest Charles Chubb,1929 This report is based upon a visit to the Museum and Art Galleries of the United State of America and Canada undertaken for the purpose of studying their organization the methods employed in displaying exhibits and especially their educational activities **Hearings** United States.
