The Anniversary Stephanie Bishop, 2023-07-18 For fans of Lisa Halliday and Susan Choi The Anniversary is a simmering page turner about an ascendant writer the unresolved death of her husband and what it takes to emerge on her own Novelist J B Blackwood is on a cruise with her husband Patrick to celebrate their wedding anniversary Her former professor film director and cult figure Patrick is much older than J B When they met he seemed somehow ageless as all gods appear in the eyes of those who worship them But now his success is starting to wane and J B is on the cusp of winning a major literary prize Her art has been forever overseen by him now it may overshadow his For days they sail in the sun nothing but dark water all around them Then a storm hits and Patrick falls from the ship J B is left alone as the search for what happened to Patrick and the truth about their marriage begins Propulsive and fiercely intelligent The Anniversary is exquisitely written with a swift and addictive plot It s a novel that asks how legible in the mind of the writer is the line between reality and plot How do we refuse the people we desire And what is the cost to ourselves to others and to our art if we don t

The Anniversary Compulsion Peter H Aykroyd, 1992-01-01 Whether it is birthdays wedding anniversaries Thanksgiving dinners or New Year s celebrations we humans demonstrate a peculiar compulsion to celebrate the continuing cycle of the recurrent calendar dates that mark our lives Public events of the same type evoke an even more pronounced response The Anniversary Compulsion focuses on Canada s Centennial celebrations in 1967 as an example of how a classic mega anniversary can be successfully organized and staged With wit and wisdom Peter Aykroyd describes how many of the key elements of Centennial year will undoubtedly be present in the staging of what is bound to be an unprecedented worldwide celebratory outburst the advent of the 21st century the Third Millennium
