Volkswagen of America, 1992 Just as the Beetle started a long tradition of Volkswagen automotive excellence these are the
manuals that created the Bentley reputation for clarity thoroughness and indispensability Our air cooled Volkswagen
manuals provide both do it yourself owners and professional mechanics with clear explanations and illustrations detailed
service steps and time saving troubleshooting tips In the same tradition as our classic 1961 1965 Type 1 manual this manual
offers owners of 1960s vintage Transporters the long out of print factory repair information Indispensable to anyone
interested in the history or restoration of the Transporter this book includes complete coverage of 1200 and 1500 engines

BODYWORK PLUS WIRING DIAGRAMS This Owners Edition Workshop Manual covers the VW Transporter Type 4 T4 which
was introduced in December 1990 fitted with 2 0 and 2 5 litre petrol engines and 1 9 and 2 4 litre diesel engines It has been
specially written for the practical owner who wants to maintain a vehicle in first class condition and carry out the bulk of his
or her own servicing and repairs Comprehensive step by step instructions are provided for service and overhaul operations to
guide the reader through what might otherwise be unfamiliar and complicated tasks Numerous drawings are included to
amplify the text With the aid of this manual many aspects of service overhaul and repair are within the scope of an owner
with a reasonable degree of mechanical aptitude Some operations however demand more skill Other jobs require the use of
special tools and in some cases testing facilities and techniques that are not generally available Only you can judge whether a
job is within your capabilities We do however try to assist the reader to come to an informed decision Whilst every effort has

been made to ensure that the information provided is correct it is obviously not possible to guarantee complete freedom from errors or omissions Information to be found in the driver s handbook is not necessarily duplicated here and it is not possible within this volume to cover every aspect to be found in the manufacturer s own workshop manual which is of much greater size and complexity However it should be consulted if more detailed information is needed Always remember that you are responsible for your own safety and that of others when working on a vehicle Take particular care with safety related systems like the brakes and steering and seek professional advice if in any doubt Never work under a vehicle unless it is properly supported a single jack is not enough Take care with power tools also regard as potentially harmful fuel lubricants solvents and sealers which should always be and kept in labelled sealed containers With care and common sense the practical owner can make an excellent job of maintenance and overhaul The benefits include money saved and the satisfaction of work well done You will be adding to your knowledge too knowing more about the vehicle you own will help you to make logical decisions about what needs to be done even if it does in some instances have to go into a professional repair shop The Volkswagen Transporter T4 is a vehicle that will respond to careful regular servicing and is built to a standard that will ensure a long life if this is remembered
