

A romantic close-up of a man and a woman about to kiss. The man is on the left, with short brown hair and a light beard, wearing a grey shirt. The woman is on the right, with long reddish-brown hair, wearing a black top. They are both smiling and looking at each other. The background is a soft, warm orange glow.

sprawling landscape of Robert Penn Warren James H Justus offers us the first comprehensive survey of Warren s complete canon including the poetry of 1980 The temptation for everyone who has written on Warren our most distinguished man of letters still active in American literature asserts Justus is to analyze those themes and moral situations that because they recur so frequently and obsessively constitute the massive centrality of an entire corpus Justus attempts to emphasize the ways by which we become aware of such themes and situations the technical accomplishment of their rendering which alone justifies our thinking of Warren as a literary artist The Achievement of Robert Penn Warren shows how Warren s work his fiction poetry literary criticism historical and personal essays journalism is shaped largely by the circumstances not only of his birth and early career as a border state southerner but also oh his training and later career as a transregional artist and intellectual Dividing his book into four parts Justus discusses in Part I Warren s cycle of themes the most enduring of which is self knowledge the very source of Warren s life work He devotes Part II to Warren s poetry the mannered archaism of his early work the increasing mastery of the tendencies practiced by his fellow Agrarians the metaphysical mode and the advantage of technique in his most recent poems Part III concern s Warren s nonfiction prose with emphasis on Who Speaks for the Negro and I ll Take My Stand In Part IV Justus analyzes the novels as political and moral statements in Night Rider At Heaven s Gate and All the King s Men as romance and history in World Enough and Time Band of Angels and Wilderness and as art of transparency in The Cave Flood Meet Me in the Green Glen and A Place to Come To Justus demonstrates Warren s relish for crowded densities of actuality as fulfilled in the novelist s skill in observing detail No other writer has made so much out of our cultural artifacts WPA murals big houses and shotgun bungalows letters and broadsides Warren continues in a southern literary tradition The values of the country and small town those affecting attitudes toward social cohesion and Christian assumptions about the nature of man are often seen in conflict with the values of a life governed by art and the academy Justus also places Warren s work in the larger context of the various streams of American writing of the nineteenth and early twentieth centuries He cites in particular Warren s unresolved relationship to Emerson and compares Warren to Mark Twain and Nathaniel Hawthorne In examining Warren s technical accomplishments Justus proclaims the novelist poet to be a man whose distinguished career has surpassed those of Edmund Wilson and Allen Tate Warren calls himself a little footnote in the long history of the intellectual tension between transcendentalism and puritanism Certainly readers of The Achievement of Robert Penn Warren will begin to understand how Warren s discrete works relate to each other how from poems to novels to prose early and late nothing is lost The undertaking by Justus is massive the accomplishment monumental

Robert Penn Warren, Shadowy Autobiography, and Other Makers of American Literature Joseph R.

Millichap, 2023-08-18 Toward the end of his career Robert Penn Warren wrote It may be said that our lives are our own supreme fiction Although lauded for his writing in multiple genres Warren never wrote an autobiography Instead he created his own shadowy autobiography in his poetry and prose as well as his fiction and nonfiction As one of the most thoughtful

scholars on Robert Penn Warren and the literature of the South Joseph Millichap builds on the accepted idea that Warren's poetry and fiction became more autobiographical in his later years by demonstrating that that same progression is replicated in Warren's literary criticism This meticulously researched study reexamines in particular Warren's later nonfiction in which autobiographical concerns come into play that is in those fraught with psychological crisis such as *Democracy and Poetry* Millichap reveals the interrelated literary genres of autobiography criticism and poetry as psychological modes encompassing the interplay of Warren's life and work in his later nonfiction He also shows how Warren's critical engagement with major American authors often centered on the ways their creative work intersected with their lives thus generating both autobiographical criticism and the working out of Warren's own autobiography under these influences Millichap's latest book focuses on Warren's critical responses to William Faulkner John Crowe Ransom Herman Melville Nathaniel Hawthorne John Greenleaf Whittier and Theodore Dreiser In addition the author carefully considers the black and female writers Warren assessed more briefly in *American Literature The Makers and the Making* Robert Penn Warren *Shadowy Autobiography and Other Makers of American Literature* presents the breadth of Millichap's scholarship the depth of his insight and the maturity of his judgment by giving us to understand that in his writing Robert Penn Warren came to know his own vocation as a poet and critic and as an American

Heilbrun, 2011-07-20 From the author of *Writing a Woman's Life* comes an inspirational reflection on aging and the gift of life in your 70s and beyond When she was young distinguished author and critic Carolyn Heilbrun solemnly vowed to end her life when she turned seventy But on the advent of that fateful birthday she realized that her golden years had been full of unforeseen pleasures Now the astute and ever insightful Heilbrun muses on the emotional and intellectual insights that brought her to choose each day for now to live There are reflections on her new house and her

sturdy comfortable marriage sweet solitude and the pleasures of sex at an advanced age the fascination with e mail and the joy of discovering unexpected friends Even the encroachments of loss pain and sadness that come with age cannot spoil Heilbrun s moveable feast They are merely the price of bountiful living On The Wire Linda Williams,2014-08-08 Many television critics legions of fans even the president of the United States have cited The Wire as the best television series ever In this sophisticated examination of the HBO serial drama that aired from 2002 until 2008 Linda Williams a leading film scholar and authority on the interplay between film melodrama and issues of race suggests what exactly it is that makes The Wire so good She argues that while the series is a powerful exploration of urban dysfunction and institutional failure its narrative power derives from its genre The Wire is popular melodrama not Greek tragedy as critics and the series creator David Simon have claimed Entertaining addictive funny and despairing all at once it is a serial melodrama grounded in observation of Baltimore s people and institutions of cops and criminals schools and blue collar labor local government and local journalism The Wire transforms close observation into an unparalleled melodrama by juxtaposing the good and evil of individuals with the good and evil of institutions Women in Renewable Energy Katherine T.
