wiley com go wallech      **Teaching World History: A Resource Book** Heidi Roupp, 2015-03-04 A resource book for teachers of world history at all levels The text contains individual sections on art gender religion philosophy literature trade and technology Lesson plans reading and multi media recommendations and suggestions for classroom activities are also provided      *Unlikely Collaboration* Barbara Will, 2011 Reader s Digest Endowed Book Fund      **Bringing Ben Home** Barbara Bradley Hagerty, 2024-08-06 How states are making their legal systems more equitable seen through the story of a Black man falsely imprisoned for thirty years for murder In 1987 Ben Spencer a twenty two year old Black man from Dallas was convicted of murdering white businessman Jeffrey Young a crime he didn t commit From the day of his arrest Spencer insisted that it was an awful mistake The Texas legal system didn t see it that way It allowed shoddy police work paid witnesses and prosecutorial misconduct to convict Spencer of murder and it ignored later efforts to correct this error The state s bureaucratic intransigence caused Spencer to spend more than half his life in prison Eventually independent investigators new witness testimony the foreman of the jury that convicted him and a new Dallas DA convinced a Texas judge that Spencer had nothing to do with the killing and in 2021 he was released from prison As Spencer s fight to clear himself demonstrates our legal systems are broken expedience is more important than the truth That is starting to change as states across the country implement new efforts to reduce wrongful convictions and one of the states leading the way is Texas Award winning journalist Barbara Bradley Hagerty has spent years digging into this issue and she has immersed herself in Spencer s case She has combed police files and court records interviewed dozens of witnesses and had extensive conversations with Spencer and in *Bringing Ben Home* she threads together two narratives how an innocent Black man got caught up in and couldn t escape a legal system that refused to admit its mistakes and what Texas and other states are doing to address wrongful convictions to make the legal process more equitable for everyone By turns fascinating and enraging personal and provocative *Bringing Ben Home* is the powerful story of one innocent man who refused to admit that he was guilty of murder and how his plight became part of a paradigm shift in how the legal system thinks about innocence as it institutes new methods to overturn wrongful convictions to better protect people like Ben Spencer      *World History through Case Studies* David Eaton, 2019-09-19 This innovative textbook demystifies the subject of world history through a diverse range of case studies Each chapter looks at an event person or place commonly included in comprehensive textbooks from prehistory to the present and from across the globe from the Kennewick Man to gladiators and modern day soccer and globalization and digs deeper examining why historians disagree on the subject and why their debates remain relevant today By taking the approach of unwrapping the textbook David Eaton reveals how historians think making it clear that the past is not nearly as tidy as most textbooks suggest Provocative questions like whether ancient Greece was shaped by contact with Egypt provide an entry point into how history professors may sharply disagree on even basic narratives and how historical interpretations can be influenced by contemporary concerns By illuminating these historiographical debates and linking them

to key skills required by historians World History through Case Studies shows how the study of history is relevant to a new generation of students and teachers **World History** William J. Duiker, Jackson J. Spielvogel, 1997 This is a comprehensive introduction to world civilizations to 1500 It covers each major civilization such as China India and Europe and provides points of comparison between and among these civilizations It emphasizes breadth and accessibility and contains a wealth of primary source documents beautiful full color maps and interesting teaching and learning supplements to help students appreciate the complexity of the topic while enjoying its application to their lives **The Decline of the West: Perspectives of world-history** Oswald Spengler, 1922 **Britain, Europe and the Modern World 1918-1968** Paul Richardson, 1971-05-02

**The World History Highway** Dennis A. Trinkle, Scott A. Merriman, 2002 CD ROM contains Electronic version of text pdf format with links to resources in text **Toward a History Beyond Borders** Daqing Yang, 2020-03-17 This volume brings to English language readers the results of an important long term project of historians from China and Japan addressing contentious issues in their shared modern histories Originally published simultaneously in Chinese and Japanese in 2006 the thirteen essays in this collection focus renewed attention on a set of political and historiographical controversies that have steered and stymied Sino Japanese relations from the mid nineteenth century through World War II to the present These in depth contributions explore a range of themes from prewar diplomatic relations and conflicts to wartime collaboration and atrocity to postwar commemorations and textbook debates all while grappling with the core issue of how history has been researched written taught and understood in both countries In the context of a wider trend toward cross national dialogues over historical issues this volume can be read as both a progress report and a case study of the effort to overcome contentious problems of history in East Asia **Hitler's Empire** Mark Mazower, 2009-08-25 Drawing on an unprecedented range and variety of original research Hitler's Empire sheds new light on how the Nazis designed maintained and lost their European dominion and offers a chilling vision of what the world would have become had they won the war Mark Mazower forces us to set aside timeworn opinions of the Third Reich and instead shows how the party drew inspiration for its imperial expansion from America and Great Britain Yet the Nazis lack of political sophistication left them unequal to the task of ruling what their armies had conquered despite a shocking level of cooperation from the overwhelmed countries A work as authoritative as it is unique Hitler's Empire is a surprising and controversial new appraisal of the Third Reich's rise and ultimate fall **Fearon World History** Globe Fearon, 1994 A textbook tracing the history of the world from prehistoric times to the present day **Islands in the Wind** Claude M. Jonnard, 2009-11 England's former east Caribbean islands and the U S Virgin Islands have evolved as constitutional democracies with a mix of open market capitalism and socialist government oversight to shield their people from runaway private enterprise These are unique achievements for small states fighting for survival in a world of mega power politics They have against many odds tenaciously clung to their independence have been able to hold their own in the international corridors of power and have even been successful in growing their economies The

problem is that in the approximately half century since these states have become self governing they have been unable to close their income gaps with their more industrialized trading and investment partners in North America Europe and Asia Why this income gap continues to exist and how it is being addressed are the issues addressed in this book This book argues that this existing income inequality in the islands is a consequence of the unequal footing they suffered during the colonial era and is being prolonged by current economic policies and programs encouraged by their own governments in conjunction with those of their major trading partners
