Pulliam, 1972 The one year course in world history popular in some quarters does not seem to have made much headway High school level courses on world history are one of the many responses to the World Wars yet said courses have never been recommended by a committee of national scope on which there were any historians Opinion surveys among teachers and students indicate that no other part of the typical social studies program is more criticized than the tenth grade level one year elective world history course These courses are increasing in number textbooks are multiplying and a few interesting experiments are being worked out yet there is no general agreement on organization scope objectives teaching strategies or assessment in these courses This document is a summary of historical and recent surveys on curricular trends in social studies with regard to

world history to help educators assess what impact they may have on the teaching of world history in the 1970s

**The Geographies of African American Short Fiction** Kenton Rambsy, 2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives The Geographies of African American Short Fiction seeks to fill this gap by analyzing the ways African American short story writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Rambsy documents the variety of geographical references within their short stories to show how these authors make cultural spaces integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset The Geographies of African American Short Fiction explores how editorial practices shaped the canon of African American short fiction

**The Decline of the West: Perspectives of world-history** Oswald Spengler, 1922

**A Short History of Western Ideology** Rolf Petri, 2018-02-22 We are arguably living in a postideological era However when we tune into the TV news we can hear political leaders talk about advanced societies geopolitical experts suggest humanitarian interventions and sober events presenters qualify a murder as barbaric What does this mean In this comprehensive book Rolf Petri reveals how our everyday political language is full of ideological representations of the world and places them in an accessible historical narration From the secularization of Europe and the Enlightenment project of civilization to the contemporary preoccupation with ecological catastrophes or the end of history A Short History of Western Ideology carves out the central elements of western ideology It focuses on a wide variety of issues including religion colonialism race and gender which are essential for how we conceive of the modern world By creating an awareness of the ideological character of the western worldview its limits and its flaws this book warns us of the dangers that derive from a self righteous mindset It is stimulating and important reading for history and politics students seeking to understand the ideology of the western world
