**Teaching Ethics through Literature** Suzanne S. Choo, 2021-07-01 Teaching Ethics through Literature provides in depth understanding of a new and exciting shift in the fields of English education Literature Language Arts and Literacy through exploring their connections with ethics The book pioneers an approach to integrating ethics in the teaching of literature This has become increasingly relevant and necessary in our globally connected age A key feature of the book is its integration of theory and practice It begins with a historical survey of the emergence of the ethical turn in Literature education and grounds this on the ideas of influential Ethical Philosophers and Literature scholars Most importantly it provides insights into how teachers can engage students in ethical concerns and apply practices of Ethical Criticism using rich on the ground case studies of high school Literature teachers in Australia Singapore and the United States James Madison High School ,1987 *James Madison High School* William John Bennett, 1987 Business Education in Emerging Market Economies Ilan Alon, John R. McIntyre, 2006-02-23 Business Education in Emerging Market Economies discusses the impact of business education on emerging markets and explores curricular innovation pedagogical approaches and strategic alliances in the context of industrializing economies Emerging markets contain 80% of the world's population and some 75% of its trade growth in the foreseeable future according to the U S Department of Commerce The potential economic growth of these emerging markets has prompted a need to understand their dynamics business institutions and educational systems Many American universities for example have responded to the demand of their students and business partners by educating them about the exciting opportunities and lurking threats in these industrializing economies This book contains multiple chapters designed to educate American students about the curricular innovations and course development occurring in emerging markets **Resources in Education** ,2001 Research in Education ,1974 *Violence Prevention and Safety Promotion in Higher Education Settings* Badea, Mihaela, Suditu, Mihaela, 2017-08-10 Nonviolent environments are desirable in many areas of life yet none are as essential as within our educational institutions Providing a safe space for students has become a critical concern in modern society Violence Prevention and Safety Promotion in Higher Education Settings is a vital resource that examines the current sources of violence within educational systems and it offers solutions on how to provide a safer space for both students and educators alike Highlighting pertinent areas of interest including technological violence academic regulations nonviolent communication and gender discrimination this reference publication is ideal for academicians future educators students and researchers interested in recent advancements that aid in providing secure safe educational environments for everyone **Critical Pedagogies for Modern Languages Education** Derek Hird, 2023-07-13 In the context of Black Lives Matter decolonizing initiatives MeToo climate emergency protests and other movements for social and environmental justice this volume posits a simple question how can modern languages be taught so that they challenge rather than reinforce social inequalities Informed by interdisciplinary theories Critical Pedagogies for

Modern Language Education focuses on practical discussions of case studies in areas directly relevant to the classroom contexts of modern languages educators The volume transforms modern language educators and the modern language profession by putting the politics of language teaching at the centre of its analysis With case studies covering 11 languages Modern Standard Arabic Dutch English French German Levantine Mandarin Portuguese Spanish Swedish Tamazight across 13 countries and regions Austria Brazil China France Italy the Levant Morocco the Netherlands Palestine Spain Sweden the UK and the USA the contributors cover a wide range of theories including critical discourse analysis activist pedagogies culturally sustaining pedagogy linguistic justice and translanguaging With student teacher collaboration at its heart critical modern languages pedagogy unmasks the ideologies and hegemonies that lie behind mainstream language use and affirms the value of minority linguistic and cultural practices The volume thus provides transformative approaches to modern languages teaching and learning that respond to the key social concerns of the 21st century

**Uncle Tom's Cabins** Tracy C. Davis, Stefka Mihaylova, 2020-04-20 As Harriet Beecher Stowe's novel Uncle Tom's Cabin traveled around the world it was molded by the imaginations and needs of international audiences For over 150 years it has been coopted for a dazzling array of causes far from what its author envisioned This book tells thirteen variants of Uncle Tom's journey explicating the novel's significance for Canadian abolitionists and the Liberian political elite that constituted the runaway characters landing points nineteenth century French theatergoers liberal Cuban Romanian and Spanish intellectuals and social reformers Dutch colonizers and Filipino nationalists in Southeast Asia Eastern European Cold War communists Muslim readers and spectators in the Middle East Brazilian television audiences and twentieth century German holidaymakers Throughout these encounters Stowe's story of American slavery serves as a paradigm for understanding oppression selectively and strategically refracting the African American slave onto other iconic victims and freedom fighters The book brings together performance historians literary critics and media theorists to demonstrate how the myriad cultural and political effects of Stowe's enduring story has transformed it into a global metanarrative with national regional and local specificity

**How to homeschool the kids you have: Advice from the kitchen table** Courtney Ostaff, Jenn Naughton, Drew Campbell, 2022-12-09 In *How to Homeschool the Kids You Have* three veteran home educators lead you through the process of creating a custom educational plan that works for your family's unique situation and your children's needs You'll identify your own educational priorities and learn how to translate them into a strong academic program You'll also learn about what science tells us about how humans especially young humans learn and why that information is crucial for the success of your homeschooling plans Along the way the authors share their own experiences and those of other homeschoolers to help you avoid pitfalls so you can provide your children with the excellent education that is their birthright

**Teaching World Literature** David Damrosch, 2009 This is an exciting and unsettling time to be teaching world literature writes David Damrosch Because the range of works taught in world literature

courses has expanded enormously both historically and geographically the task of selection and of teacher preparation has grown more challenging Teachers of this field must grapple with such issues as coverage cultural difference and the role of translation in the classroom Should one emphasize masterpieces or traditions concepts or themes How does one avoid making a work bear the burden of representing an entire tradition To what extent should anthologies be used Can a course be global in scope and yet focus on a few works authors moments This collection of thirty two essays in the MLA series Options for Teaching offers an array of solutions to these challenges reflecting the wide variety of institutions courses and students described by the contributors An annotated bibliography is provided with a listing of useful Web sites Teaching Classics Worldwide Steven Hunt, John Bulwer, 2025-02-06 Designed for instructors in schools and universities as well as stakeholders and policy makers in education everywhere this book is a systematic guide to contemporary school teaching of classical languages literature and civilisation in major countries across the world This book examines the trends and assesses the rationale for such diversity in programmes of study and asks the question What are classical subjects for in today s schools Each chapter is arranged by geographical area and draws on the experiences of teachers and other education experts in each country commenting on contemporary practices Themes such as the impact of national education policies enrolment assessment accessibility and inclusion are discussed The teaching of Classics has wide variations in practices and purposes from one education system to another in some the teaching of Classics continues to be focused on the mastery of language and grammar in others active use of the ancient languages is growing in popularity and yet in others the focus is shifting towards the study of the languages and civilisations in translation Presenting an overview survey and comparison of practices across the world this book is essential reading for instructors and teaching training courses in the world of classical education Library Books for High Schools ,1918 Books for High Schools Minnesota. Department of Education, 1914 *Minnesota Library Books for High Schools* Minnesota. Department of Education, 1918 **The Detroit Educational Bulletin** ,1923 **Annual Report of the Superintendent of Common Schools** New York (N.Y.). Superintendent of Schools, 1919 Beyond the Bubble Test Linda Darling-Hammond, Frank Adamson, 2014-06-16 Performance assessment is a hot topic in school systems and educators continue to analyze its costs benefits and feasibility as a replacement for high stakes testing Until now researchers and policymakers have had to dig to find out what we know and what we still have to learn about performance assessment Beyond the Bubble Test How Performance Assessments Support 21st Century Learning synthesizes the latest findings in the field and not a moment too soon Statistics indicate that the United States is in danger of falling behind if it fails to adapt to our changing world The memory and recall strategies of traditional testing are no longer adequate to equip our students with the skills they need to excel in the global economy Instead teachers need to engage students in deeper learning assessing their ability to use higher order skills Skills like synthesizing information understanding evidence and critical problem solving are not achieved when we teach to multiple choice exams Examples in

Beyond the Bubble Test paint a useful picture of how schools can begin to supplement traditional tests with something that works better This book provides new perspectives on current performance assessment research plus an incisive look at what s possible at the local and state levels Linda Darling Hammond with a team of leading scholars bring together lessons learned new directions and solid recommendations into a single readily accessible compendium Beyond the Bubble Test situates the current debate on performance assessment within the context of testing in the United States This comprehensive resource also looks beyond our U S borders to Singapore Hong Kong and other places whose reform mindedness can serve as an example to us
