declining rolls and frustrated members Is that what we most desire from our worship What would happen in our churches if we went to war for worship or in worship instead of going to war over worship What if we got so serious about worship that we put our preferences aside and focused on engaging God Worship is not about songs and sermons anyway Worship is about a privileged conversation with God Discover how you and your church can get serious about worship as you delve into the heart of worship Study who is involved in worship what you can expect from worship and how you can get the most out of worship If we want to see God do great things in our churches and bring awakening to our nation we must get serious about worship Lets stop fighting over methodologies and return to the core of worship Take some time to explore the privilege of worship
