Rocket Ship Play Tent Set Up Guide

Step 1: Unzip the carrying bag. Inside you will find one play tent and a small bag containing 4 poles.

Step 2: Take out the poles and set aside for later.

Step 3: Carefully place the tent and poles into the carrying bag.

Step 4: When the poles are folded out, one side is noticeably longer. Insert the longer end into the **FLOOR SLEEVE**, and shorter end into the **ROOF SLEEVE**.

(See reference pictures below)
The middle connector section of the pole should run along the seam line of the tent.

The Worst Resume Ever Written Veronica Vulpine, 2017-10-27 My name is Veronica Vulpine I wish that I could say that I had a really exciting life being an extra in Miami Vice or being involved in a witchcraft covenant but I am just me living on a lonely mountainside I have suffered through a high school that I hated a college that I hated buying a house and then losing my job and many terrible jobs over the years to make ends meet Many weird things have happened to me in the meantime but I have managed to survive I hope these tales give you a chance to endure whatever you are dealing with in life with a sense of humor because if I didn't have one I'd be hanging somewhere by my shoelaces by now I hope my little catharsis makes you all laugh because that is the best medicine Enjoy *Jane Jones: Worst. Vampire. Ever.* Caissie St. Onge, 2011-05-10 For Jane Jones being a vampire is nothing like you read about in books In fact it kind of sucks She's not beautiful she's not rich and she doesn't sparkle She's just an average slightly nerdy girl from an ordinary suburban family who happens to be a vampire Jane's from the wrong side of the tracks not to mention stuck in the world's longest awkward phase so she doesn't fit in with the cool vampire kids at school or with the humans kids To top it all off she's battling an overprotective mom a clique of high school mean girls the kind who really do have fangs and the most embarrassing allergy in the history of the undead she's blood intolerant So no one's more surprised than Jane when for the first time in her life things start to heat up as much as they can for a walking corpse anyway with not one but two boys Eli's a geeky but cute real live boy in her history class and Timothy is a beautiful brooding bloodsucker who might just hold the key to a possible cure for vampirism Facing an eternity of high school pressure fumbling first dates or a mere lifetime together with Timothy what's a 90 something year old teen vampire to do Fans of the Vladimir Tod Chronicles You are So Undead to Me and Jessica's Guide to Dating on the Dark Side will feast on this deliciously readable smart and fantastically funny debut *There's a God in My Closet* Ben DeLong, 2019-07-19 Many have been taught to see God as a terrifying agent of wrath who spews anger at any sign of imperfection At the same time they've been taught that they are inherently flawed and devoid of goodness Where does that leave us For Ben DeLong it left him hiding his skeletons from the monster he believed God to be This proved to be a perfect recipe for anxiety depression and insecurity But what if God accepts our skeletons What if he actually embraces them in love How would that change our outlook For Ben it changed everything This book is about his journey to find what was always true we are eternally embraced by God skeletons and all and he is never letting go **10 1/2 Things No Commencement Speaker Has Ever Said** Charles Wheelan, 2012-05-07 A book filled with so much wisdom that I have no choice but to recommend it Craig Wilson USA Today The antidote to those cotton candy platitudes that are all too familiar to anyone who's ever worn a mortarboard Wheelan's 101 head turning aphorisms backed up by a PhD in public policy and extensive social science research set the record straight Readers everywhere agreed turning a Dartmouth Class Day speech that had gone viral into a best selling book Whether praising the time wasted in fraternity basements mentioning that frankly the worst

days of your life still lie ahead or simply asking that graduates avoid wreaking the kind of havoc that others before them have. Wheelan softens his candid conclusions with good natured charm and tales of unconventional success. With cartoons sprinkled throughout to keep things light, this volume makes a perfect gift for graduates of all ages.

The book also includes a question and answer section in which Steve explores some of the toughest dating issues. Find out how much more fun dating can be when you get the upper hand on Bad Boys for good.

The World's End Rin Chupeco, 2023-12-05 The thrilling conclusion to the *A Hundred Names for Magic* trilogy is not your average fairytale. An unforgettable alternative history fairy tale series from the author of *The Bone Witch* about found family, modern day magic, and finding the place you belong. It's been three months since the Snow Queen and OzCorp infiltrated Maidenkeep and nearly seized the Nine Maidens. Ryker is still unconscious, and the rest of the group is feeling the effects of the prolonged war. Not to mention that Abigail Fey's curse has far reaching consequences, and many in the Royal States have been using it to stir unrest and hostilities against Avalon. When the Adarna, a firebird like creature, appears in Avalon, the gang discovers it is one of seven magical artifacts that the Snow Queen has been searching for in her bid to open a portal to Buyan, a place that could grant her tremendous power. Determined to find the artifacts first, the Bandersnatchers find information about the other five: *The Singing Bone*, *The Hamelin Flute*, *The Tamatebako*, *The Lotus Lantern*, *The Raskovnik*, and *The Wonderland Tree*. But the Snow Queen will stop at nothing to get to the relics first. And as the final battle approaches, both sides will lose the ones they love as the fight to save or destroy Avalon finally comes to be.
