

So, what do you like to get up to for fun outside of work?

I usually just hang out with my girlfriends and try out new restaurants and cafes...nothing special

Cool, I really like trying out new restaurants too. What are some of your favorites?

Not sure...I really like Bluestone Cafe lately...their brunch options are amazing

I love a good brunch. So Michelle, when are you taking me to Bluestone for brunch? 😊  
Saturday or Sunday?

Lol...you're very forward...I like it 😊

Confident, emotionally independent (i.e. not needy), socially intelligent (i.e. talking as though they are still cool with each other).

I just checked out their Facebook...the pancakes look goood

I can do Saturday at like 11am...I've tried the pancakes BTW - they are really good 😊

Done. I'll see your beautiful self there at 11am...bring on the pancakes!

Lol...okay, see you then 😊

**From Texts to Bodies** Jacqueline Murray,2025-04-24 From Texts to Bodies Sexes Genders and Sexualities in Premodern Europe reflects the historiographical changes to the study of women gender and sexuality in premodern Europe across the 1990s into the 2010s Developing from post Baby Boom interest in marriage and the family subsequently inspired by feminist theory and cultural studies scholars turned their gaze to the wider field of sex and gender Using an interdisciplinary methodology and a broad cross section of medieval primary sources these articles trace the evolution of medieval studies from the family through women and gender to focus on sex and sexuality concluding with critical analyses of men masculinity and male embodiment Part I focuses on medieval women within the context of marriage family and the church and reveals new approaches to recovering women s experiences The articles sit at the transition point between recuperative women s history and critical gender history Part II uses an interdisciplinary lens to examine the body sex and sexuality and the intersections of sex sexualities and genders The innovative articles in Part III comprise the foundations for the critical analysis of premodern men masculinity embodiment and male sexuality Together these studies demonstrate the expansion of research from the examination of theoretical texts to the analysis of bodies as lived experience This volume will be of interest to scholars and students of premodern marriage genders sexualities and embodiment as well as those interested in the social and religious contexts of premodern society Clear and accessible this volume also provides an introduction and overview for readers with a broad interest in the Middle Ages

*Lamentations* Gina Hens-Piazza,2017-07-15 Though the five poems of *Lamentations* undoubtedly refer to the Babylonian siege and destruction of Jerusalem in 587 BCE the multiple voices that narrate unspeakable suffering and labor to make sense of the surrounding horror do so at women s expense In the opening chapters a prevailing metaphor of Jerusalem as a woman Woman Zion portrays a weeping widow abandoned and alone who soon becomes the target of blame for the downfall of the city and its inhabitants Vague sexual improprieties craft the basis of

her sinfulness seemingly to justify her immense suffering as punishment The damning effect of such a metaphor finds company in subsequent accounts of women young girls and mothers all victims of the destruction recorded therein But this feminist interpretation of Lamentations does not stop at merely documenting the case against women it also demonstrates how such texts can serve as sources of strength by lifting up portraits of courageous resistance amid the rubble of misogynist landscapes

Song of Songs F. Scott Spencer,2017-02-01 Arguably the biggest blockbuster love song ever composed the Song of Songs holds a unique place in Jewish and Christian canons as the holiest book in the minds of some readers and the sexiest in its language and imagery This commentary aims to interpret this vibrant Song in a contemporary feminist key informed by close linguistic literary and social cultural analysis Though finding much in the Song to celebrate for women and men in their embodied passionate lives this work also exposes tensions vulnerabilities and inequities between the sexes and among society at large just what we would expect of a perceptive poignant love ballad that still tops the charts

Baruch and the Letter of Jeremiah Marie-Theres Wacker,2016-04-01 Baruch and the Letter of Jeremiah are among the so called deuterocanonical books of the Bible part of the larger Catholic biblical canon Except for a short article in the Women s Bible Commentary no detailed or comprehensive feminist commentary on these books is available so far Marie Theres Wacker reads both books with an approach that is sensitive to gender and identity issues The book of Baruch with its reflections on guilt of the fathers with its transformation of wisdom into the Book of God s commandments and with its strong symbol of mother and queen Jerusalem offers a new and creative digest of Torah writings and prophets but seems to address primarily learned men The so called Letter of Jeremiah is an impressive document that unmasks pseudo deities but at the same draws sharp lines between the group s identity and the others using women of the others as boundary markers

Nahum, Habakkuk, Zephaniah Wilda Gafney,2017 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God s vision of dignity equality and justice for all Book jacket

Micah Julia M. O'Brien,2015-11-10 This volume brings gender studies to bear on Micah s powerful rhetoric interpreting the book within its ancient and modern contexts Julia M O'Brien traces resonances of Micah s language within the Persian Period community in which the book was composed evaluating recent study of the period and the dynamics of power reflected in ancient sources Also sampling the book s reception by diverse readers in various time periods she considers the real life implications of Micah s gender constructs By bringing the ancient and modern contexts of Micah into view the volume

encourages readers to reflect on the significance of Micah's construction of the world. Micah's perspective on sin, salvation, the human condition, and the nature of YHWH affects the way people live in part by shaping their own thought and in part by shaping the power structures in which they live. O'Brien's engagement with Micah invites readers to discern in community their own hopes and dreams. What is justice? What should the future look like? What should we hope for? From the Wisdom Commentary series, Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible. It is our hope that Wisdom Commentary, by making the best of current feminist biblical scholarship available in an accessible format to ministers, preachers, teachers, scholars, and students, will aid all readers in their advancement toward God's vision of dignity, equality, and justice for all. The aim of this commentary is to provide feminist interpretation of Scripture in serious scholarly engagement with the whole text, not only those texts that explicitly mention women. A central concern is the world in front of the text, that is, how the text is heard and appropriated by women. At the same time, this commentary aims to be faithful to the ancient text, to explicate the world behind the text, where appropriate, and not impose contemporary questions onto the ancient texts. The commentary addresses not only issues of gender, which are primary in this project, but also those of power, authority, ethnicity, racism, and classism, which all intersect. Each volume incorporates diverse voices and differing interpretations from different parts of the world, showing the importance of social location in the process of interpretation and that there is no single definitive feminist interpretation of a text.

First published in 1987, this research provides insight on the political economy of schooling and includes an analysis of power as they operate both within and outside of schools in the construction of class and gender relations. This is part of a series of volumes that have begun to enquire into the relationship between the curriculum and teaching that is found in our formal institutions of education and unequal power in society.
