Big and Bright Gray Levy, 2015-09-02 Texas is a diverse state But the one thing that binds Texans more than their state pride even more than religion is football For the many towns and cities of Texas high school football is more than a sport or an extracurricular activity it s the glue of their community Author Gray Levy a high school football coach for more than two decades became disillusioned with the state of the education system nationwide and traveled to Texas a place where high school football still matters to see just what schools and communities were doing right What he found will both confirm and debunk common presumptions about high school football in Texas a complex phenomenon that varies by region school size and the ethnic diversity of the Lone Star State

Memories of Thompson Orphanage Stella Henson Griggs Batson, 2014-09-09 The stories in this book are true They will give you a glimpse into the lives of little children who are now grown men and women However before you read the stories there is a brief history of the orphanage that I believe you will find interesting No longer is the orphanage downtown Charlotte but moved outside the city limits to the orphanage farm on St Peters Lane Matthews North Carolina This is where our lake was and where the earlier children used to have so much enjoyment Most of them in these stories mention the farm and the lake These small children would have had little chance to grow up into strong men and women who could go out into the world and compete with the best of men had it not been for people who cared In the cases of the people in these stories it was Thompson Orphanage in Charlotte North Carolina the Episcopal Church and others that gave willingly toward the support of the orphanage You will get a glimpse into the lives of individuals from the day they went to Thompson Orphanage until this day Also another purpose of this book is help the public understand orphanages So many people feel sorry for children in orphanages These are blessed children because they were given the chance in life that so many others needed but were not as fortunate The ones to feel sorry for are those whose families cant afford to care for their children and those children who are abused neglected and have no one to help them escape their situation
