I would like to congratulate all the team members of your organization for their assistance in completing the project on time and with perfection, despite so many challenges that cropped up during this process.

It was an amazing experience for our team members to work with your assistance team. The level of professionalism and dedication that they exhibited while working on the project has helped us reach to our customers across the country. And now we are expecting good sales and expansion of our present customer pool. We are hopeful of healthy returns in the very first quarter of this year which will again be an achievement for us.

*Bodies in the Middle* Maya Hislop, 2024-07-11 A probing analysis of Black women's attempts to pursue justice for sexual violence victims within often hostile social and legal systems. In *Bodies in the Middle: Black Women, Sexual Violence, and Complex Imaginings of Justice*, Maya Hislop examines the lack of place that Black women experience specifically when they are victims of sexual violence. Hislop uses both historical and literary analyses to explore how women in the face of indifference and often hostility have sought to redefine justice for themselves within a framework she calls Afro-pessimistic justice. Afro-pessimism begins from the belief that Black life in America, and in turn the American justice system, is constrained within a framework of anti-Blackness meant to enforce white supremacy. Inspired by the work of Black studies luminaries such as Orlando Patterson, Sylvia Wynter, and Fred Moten, Hislop asks what justice can look like in the absence of total victory and how Black women have attempted to define alternative paths to a just future.
