

A dramatic sky scene with a bright sunburst breaking through dark, heavy clouds. The sun is positioned in the upper right, casting a strong light that illuminates the surrounding clouds. The clouds are dark and textured, with some lighter patches where the sun's light hits. The overall mood is one of hope and divine light breaking through darkness.

Hurtado,2015-11-19 Larry Hurtado's One God One Lord has been described as one of the most important and provocative Christologies of all time Alan F Segal The book has taken its place among works on Jesus as one consistently cited consistently read and consistently examined in scholarly discourse Hurtado examines the early cultic devotion to Jesus through a range of Jewish sources Hurtado outlines an early high Christological theology showing how the Christ of faith emerges from monotheistic Judaism The book has already found a home on the shelves of many in its two previous editions In this new Cornerstones edition Hurtado provides a substantial epilogue of some twenty thousand words which brings this ground breaking work to the fore once more in a format accessible to scholars and students alike *The Catechism*

*Explained* Francis Spirago,1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven Preface *Christ's Discipleship Deal* Richard

Christenson,2018-01-08 As a former pastor Richard Christenson has had the opportunity to address numerous congregations and men's ministry groups throughout the northwestern United States and his observations from these experiences are alarming He found that comprehensive discipleship training that addresses the spiritual formation and mission involvement requirement of Christ's followers has been replaced by felt needs driven programming and religious education classes The result is local churches are becoming increasingly ingrown and are comprised of consumers spectators and Jesus fans rather than cross carrying followers of Jesus Christ Richard Christenson believes this problem is the result of our incomplete presentation of the Gospel and our failure to provide comprehensive maturity ministry and mission training for church members Christ's discipleship deal comes with many temporal and eternal benefits but there are also costs involved that need to be counted before making a commitment to become a follower of Christ In his new book Christ's Discipleship Deal Christenson offers assistance for local church leaders in identifying and correcting concerns related to their presentation of the Gospel spiritual formation of their members and proactive participation in Christ's redemptive mission **The**
