## **The 0s Countdown To Armageddon:**

**Countdown to Armageddon** Paul McGuire, 2000 Are we living in the final chapter of the world as we know it

Babylon Rising: The Europa Conspiracy Tim LaHaye, 2009-10-14 Tim LaHaye creator of the Left Behind series blends suspense and Biblical prophecy in a new series of thrillers with a chilling relevance to the events of our time Here are ancient secrets never before revealed dire warnings and a man who must rise to face the greatest evil of all Michael Murphy is a hero for our troubled times He s an archaeologist and a scholar of Biblical prophecy He s also a man of action hunting ancient artifacts at the risk of his life And this time he s onto a find that will send him toward a confrontation with an evil of unimaginable power For Murphy has unlocked secrets that were never meant to be revealed secrets challenging everything Murphy s ever believed and jeopardizing everyone he s ever loved But that s not all that s at stake For what Murphy has discovered is that the countdown to the end time of all humankind has already begun It s later than anyone thinks And if Murphy fails we all fail

Rushing Ahead to Armageddon Christopher M. Jones, 2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment s notice Iran s nuclear ambition is well documented and is becoming a menace on the International stage With Israel s very existence at stake a preemptive strike against Iran s Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment s notice the events described in Ezekiel 38-39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today s newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it s time that we begin to reevaluate today s popular interpretation of Ezekiel 38-39 in light of the Bible Author s Bio Christopher

Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time
