Nation Terry Pratchett, 2009-09-14 Alone on a desert island everything and everyone he knows and loves has been washed away in a storm Mau is the last surviving member of his nation He s completely alone or so he thinks until he finds the ghost girl She has no toes wears strange lacy trousers like the grandfather bird and gives him a stick that can make fire Daphne sole survivor of the wreck of the Sweet Judy almost immediately regrets trying to shoot the native boy Thank goodness the powder was wet and the gun only produced a spark She s certain her father distant cousin of the Royal family will come and rescue her but it seems for now that all she has for company is the boy and the foul mouthed ship s parrot until other survivors arrive to take refuge on the island Together Mau and Daphne discover some remarkable things including how to milk a pig and why spitting in beer is a good thing and start to forge a new nation Encompassing themes of death and nationhood Terry Pratchett s new novel is as can be expected extremely funny witty and wise Mau s ancestors have something to teach us all Mau just wishes they would shut up about it and let him get on with saving everyone s lives The Truth Terry Pratchett, 2000 William de Worde is the accidental editor of the Discworld s first newspaper Now he must cope with the traditional perils of a journalist s life people who want him dead a recovering vampire with a suicidal fascination for flash photography some more people who want him dead in a different way and worst of all the man who keeps begging him to publish pictures of his humorously shaped potatoes William just wants to get at THE TRUTH Unfortunately everyone else wants to get at William And it s only the third edition The Truth is Terry Pratchett s 25th Discworld novel *Unseen Academicals* Terry Pratchett, 2011 The thing about football the important thing about football is that it is not just about football Football is supposed to be a gentleman s game played on venerable university lawns for honour polite applause and a hearty match tea afterwards Unfortunately for the gentlemen the rest of the world doesn t see it that way Football has moved on to the streets and now it inhabits a world of pies chants and jumpers for goalposts This is a world where a talent for keeping tin cans in the air could make you a local celebrity and where any polite applause is lost in the roar of pitched battles between fans This is a world of life or death And if the gentlemen want to try and bend it to their rules again they re going to have a fight on their hands **Thief of Time** Terry Pratchett, 2014-07-29 Time itself is threatened and it s up to the History Monks to save it in Terry Pratchett s bestselling Discworld series Everybody wants more time Which is why on Discworld only the experts can manage it the venerable Monks of History who store it and pump it from where it s wasted like underwater how much time does a codfish really need to places like cities where busy denizens lament never having enough of it While everyone talks about slowing down one young horologist is about to do the unthinkable He s going to stop Well stop time that is by building the world s first truly accurate clock Which means esteemed History Monk Lu Tze and his apprentice Lobsang Ludd have to put on some speed to stop the timepiece before it starts For if the Perfect Clock starts ticking time as we know it will end And then the trouble will really begin Sourcery Terry Pratchett, 2013-04-30 Sourcery a hilarious mix of magic mayhem and Luggage is the fifth book in Terry Pratchett s classic fantasy Discworld series Rincewind

the legendarily inept wizard has returned after falling off the edge of the world And this time he's brought the Luggage But that's not all Once upon a time there was an eighth son of an eighth son who was of course a wizard As if that wasn't complicated enough said wizard then had seven sons And then he had an eighth son a wizard squared that's all the math really Who of course was a source of magic a sourcerer Will the sourcerer lead the wizards to dominate all of Discworld Or can Rincewind's tiny band stave off the Apocalypse *The Light Fantastic* Terry Pratchett, 1988 Fantasy roman

Discworld and the Disciplines Anne Hiebert Alton, William C. Spruiell, Donald E. Palumbo, 2014-04-22 This collection of new essays applies a wide range of critical frameworks to the analysis of prolific fantasy author Terry Pratchett's Discworld books Essays focus on topics such as Pratchett's treatment of noise and silence and their political implications art as an anodyne for racial conflict humor and cognitive debugging visual semiotics linguistic stylistics and readers' perspectives of word choice and Derrida and the monstrous Regiment of Women The volume also includes an annotated bibliography of critical sources The essays provide fresh perspectives on Pratchett's work which has stealthily redefined both fantasy and humor for modern audiences

Monstrous Regiment Terry Pratchett, 2011 It began as a sudden strange fancy Polly Perks had to become a boy in a hurry Cutting off her hair and wearing trousers was easy Learning to fart and belch in public and walk like an ape took more time And now she's enlisted in the army **Fantasy and the Real World in British Children's Literature** Caroline Webb, 2014-09-15 This study examines the children's books of three extraordinary British writers J K Rowling Diana Wynne Jones and Terry Pratchett and investigates their sophisticated use of narrative strategies not only to engage children in reading but to educate them into becoming mature readers and indeed individuals The book demonstrates how in quite different ways these writers establish reader expectations by drawing on conventions in existing genres only to subvert those expectations Their strategies lead young readers to evaluate for themselves both the power of story to shape our understanding of the world and to develop a sense of identity and agency Rowling Jones and Pratchett provide their readers with fantasies that are pleasurable and imaginative but far from encouraging escape from reality they convey important lessons about the complexities and challenges of the real world and how these may be faced and solved All three writers deploy the tropes and imaginative possibilities of fantasy to disturb challenge and enlarge the world of their readers

An enduring endearing presence in comic literature Guardian It stars the legendary Cohen the Barbarian a legend in his own lifetime Cohen can remember when a hero didn't have to worry about fences and lawyers and civilisation and when people didn't tell you off for killing dragons But he can't always remember these days where he put his teeth So now with his ancient sword and his new walking stick and his old friends and they're very old friends Cohen the Barbarian is going on one final quest He's going to climb the highest mountain in the Discworld and meet his gods The last hero in the world is going to return what the first hero stole With a vengeance That'll mean the end of the world if no one stops him in time
