awaits A line of Anglo Saxon poetry found on the victim leads to a hiding place and another cryptic clue What is the connection to the murder of Halloran s wife all those years ago **Murder on the Moorland** Helen Cox,2020-03-19 Kitt Hartley wakes to the news that a murder has been committed in Irendale a village high on the wild Yorkshire moors where her boyfriend DI Malcolm Halloran lived with his ex wife until she too was murdered The MO of the two crimes is identical right down to the runic symbols carved into the victims hands Unable to leave it to the local police to solve Kitt and Halloran travel to Irendale where a literary mystery awaits A line of Anglo Saxon poetry found on the victim leads to a hiding place and another cryptic clue What is the connection to the murder of Halloran s wife all those years ago It will take the combined ingenuity of Kitt and Halloran as well as Evie Bowes Grace Edwards and despite their best efforts Ruby the possible psychic to solve this case The moors may be beautiful but they re not peaceful Utterly fascinating and highly entertaining reader review I loved this book so much reader review I felt as though I was right by Kitt s side helping her solve the mystery reader review Perfect reader review Brilliant reader review One of my favourite series reader review Absorbing and brilliant reader review Sibling of an Alcoholic Annay Auth,2025-08-26 The author doesn t often talk about her sister s addiction not because she is ashamed but because the word addiction doesn t even begin to capture the reality It s just one word and it can t hold the weight of the constant anxiety the nights spent bracing for a phone call that might never come or worse the one that finally does It doesn t reflect the heartbreak of watching a loved one lie relapse and unravel while the family tries to hold on sometimes to hope sometimes to each other Addiction isn t just a diagnosis It s the ER visits that become routine the unpredictable outbursts that shatter any sense of safety and the helplessness that lingers long after the chaos ends It s the pain carried silently because the reality is too complex too raw to explain This book is her attempt to put words to what so often feels unspeakable It is for every sibling who has walked this painful road who has watched someone they love disappear into a bottle and who has been left to pick up the pieces For those who have felt alone in that grief in that rage in that love that hurts this is for them They are not alone **Bookseller & Stationer and Office Equipment Journal** ,1929 Kids Who Murder Ellie Hayes,2023-01-20 Generally naive about their world children are thought to be nearly incapable of serious wrongdoing and are rarely suspects in violent crimes Yet from the 1960s to the mid 90s the U S saw several waves of juvenile murders that caused widespread public concern The phenomenon created longstanding debates about the sources or causes of a child killer s mindset Some blame external triggers like video games rock music or pornography while others argue the causes are deeper issues such as an underdeveloped brain experiencing abuse and neglect The quest to uncover the causes of these crimes is ongoing and how the American justice system should handle these young killers remains a controversy This book assesses ten murder cases in modern American criminal history examining the minds of the children who perpetrated them Chapters compile decades of research on the psychology of child murderers in hopes of creating a more coherent understanding of why kids kill *The New Monthly Magazine and Literary Journal* ,1824 After Caroline Kay
