

The background of the book cover features a detailed, stylized illustration of various biological structures, likely from a histology or anatomy textbook. On the left, there is a large, circular, golden-yellow area containing several elongated, oval-shaped cells with internal details. To the right and slightly overlapping this is a larger, purple-toned area containing more complex structures, including what appears to be a cross-section of a tooth or a similar biological form. The overall design is academic and visually rich, using a color palette of gold, purple, and blue.
