heritage and of those who had been silenced This book presents Nancy K Anderson s superb translations of three of Akhmatova s most important poems Requiem a commemoration of the victims of Stalin s Terror The Way of All the Earth a work to which the poet returned repeatedly over the last quarter century of her life and which combines Old Russian motifs with the modernist search for a lost past and Poem Without a Hero widely admired as the poet s magnum opus Each poem is accompanied by extensive commentary The complex and allusive Poem Without a Hero is also provided with an extensive critical commentary that draws on the poet s manuscripts and private notebooks Anderson offers relevant facts about the poet s life and an overview of the political and cultural forces that shaped her work The resulting volume enables English language readers to gain a deeper level of understanding of Akhmatova s poems and how and why they were created

Bulletin Nottingham (England). Public Libraries,1910 **'The Real Scriptures' of God** James Platter,2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn t in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else s church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language

A Theology for a Mediated God Dennis Ford, 2015-10-08 A Theology for a Mediated God introduces a new way to examine the shaping effects of media on our notions of God and divinity In contrast to more conventional social scientific methodologies and conversations about the relationship between religion and media Dennis Ford argues that the characteristics we ascribe to a medium can be extended and applied metaphorically to the characteristics we ascribe to God just as earlier generations attempted to comprehend God through the metaphors of father shepherd or mother As a result his work both challenges and bridges the gap between students of religion and media and theology

White Coat Fever Roland S. Jefferson, 2009 Stepping back from his critically acclaimed crime genre novels Roland S. Jefferson's *White Coat Fever* takes the reader on a fascinating trip back in time to the exciting world of the 1960s when Motown Jazz and the civil rights movement defined an entire generation And nowhere was the aspiration of upward mobility more evidenced than on black college campuses where some middle class black women became obsessed with the idea of marrying doctors September a hauntingly attractive civil rights worker who finds both love and brutality in Mississippi jails Perry a brilliant medical student spoiled by good looks and his reputation as the ultimate womanizer Aiyana a self centered predatory social climber determined to marry a doctor at any cost even if she doesn't love him Bennyboy an idealistic and principled young medical student who shares an illicit past with a girl he once loved Here then is Roland S. Jefferson's magnificent highly imaginative and immensely compelling story of a black cultural lifestyle at a pivotal time in history as four young people are plunged into the center of a raging conflict between political idealism and the relentless obsessions about class color and romantic entitlement But obsessions even noble ones can sometimes go tragically awry

Adam and Eve in the Armenian Tradition, Fifth through Seventeenth Centuries Michael E. Stone, 2013-10-14 The Adam and Eve stories are a foundational myth in the Jewish and Christian worlds and the way they were recounted reveals a great deal about those doing the retelling How did the Armenians retell these stories What values do these retellings express about men and women their life in the world sin and redemption Presented here are twelve hundred years of Armenian telling of the Genesis 1-3 stories in an unparalleled collection of all significant narratives of Adam and Eve in Armenian literature prose and poetry

homilies and commentaries calendary and mathematical texts from its inception in the fifth century to the seventeenth century This seminal resource contributes to the lively current discussion of how biblical and apocryphal traditions were retold embroidered and transformed into the lenses through which the Bible itself was read **Gospel Perspectives, Volume 5** David Wenham, 2004-03-29 In their search for the historical Jesus scholars have rightly focused their attention on the evidence of the four canonical gospels but they have often given insufficient attention to the importance of other early Christian writings This volume by an international team of authors writing under the auspices of the Tyndale House Gospels Research Project seeks to shed light on the gospels from outside the gospels It includes essays on Paul s use of the Jesus tradition the evidence of other New Testament writers the Gospel of Thomas the apocryphal gospels the apostolic fathers and on Jewish and classical traditions The essays break new ground in various respects and the volume as a whole which is concluded by Dr Richard Bauckham with an article on the problems and prospects of studying non canonical gospel traditions should prove a significant stimulus to ongoing research in this neglected area **The Garden** ,1917
