Dear Parent/Guardian,

I'd like to wish everyone a Happy New Year and trust that everyone is well rested and ready to start afresh in 2019. Unfortunately, heating problems meant a disrupted start to our term, but we appreciate, as always, the understanding and support from all of our parents in such circumstances.

KEEPING YOU INFORMED

At Ballytrea, we do our utmost to plan ahead and to keep parents informed of what is happening. However, as was the case with our unexpected heating problems, we will face situations which are unforeseen or unexpected. We would therefore like to inform you of the procedures which we will take to inform you in such circumstances.

- We are currently setting up a texting service which will send a message to the **nominated** mobile telephone number of each parent/guardian.
- Updates will be made available as soon as possible on the **school website**.
- Details will be available on the EA website as soon as arrangements have been put in place.
- In the event of severe weather such as heavy snowfall, a decision on whether to close will, **if possible**, be made on the evening before or as early as possible on the morning in question. Health and Safety, transport, staffing and welfare considerations will be paramount in our decision making.

WHAT CAN YOU DO?

- With the possibility of new mobile phones being purchased over the Christmas period, we'd ask that you complete the nominated user contact form attached to this newsletter. This is the number which will be used by our **messaging service** to notify you, in the event that we need to contact you unexpectedly. Should other contact details have changed since September, please call in to the school office to update these.
- **Download the school app** onto your phone, so that any updates can be viewed. It is also the means by which we can send notifications to you directly, at given times, about current events or news. Currently, over fifty people have downloaded our school app and we would encourage you to promote this with childminders, grandparents and friends, as without the app on your phone, these notifications cannot be sent. Once the app is opened, you may also see some pop-up messages which are of current relevance.
- Always check that school is open before dropping your child off in the morning and stay with him/her until the doors open.

RECEPTION/PRIMARY ONE ADMISSIONS

Applications for places in 2019-2020 need to be made online. A support booklet was issued to new parents at our Open Day, but should any new parent require guidance, we are happy to guide you through the process, just call into the office Monday -Wednesday 9:00 a.m. - 12:00 p.m. Information and the relevant links have been made available on our website under the Parents' page in 'Information and Forms.'
