Autumn Dead Edward Gorman, 2014 Two of Gorman's best detective novels the first one featuring Jack Dwyer former cop turned P I who tries to solve a mystery for a past love and the second featuring Jack Walsh in a mystery which author Jeremiah Healy called an extraordinary novel and Kevin Burton Smith in *Thrilling Detective* cited as his masterpiece

Rough Cut and New, Improved Murder Edward Gorman, 2008-06

Stranglehold Ed Gorman, 2022-11-11 Award winning author Ed Gorman is back with political consultant and troubleshooter Dev Conrad in this riveting sequel When Dev Conrad agreed to work with Congresswoman Susan Cooper member of a prominent political family he didn't know that the worst threat her reelection campaign would face would come from Cooper herself The congresswoman has a secret she's not willing to share with Dev forcing him to follow her the way a detective would But the campaign is burdened with other problems as well starting with the murder of scandal plagued political consultant Monica Davies Rumor has it she had some information that would destroy Susan Cooper's campaign In the wake of another murder another blackmailer and two or three suspicious relationships Dev must figure out who is trying to sabotage the campaign A rip roaring ride *Stranglehold* will win your vote

The Day the Music Died Edward Gorman, 2009-05 *The Day the Music Died* is the first in the Sam McCain series by Ed Gorman The series is the most nostalgic and realistic portrayal of small town America as it was in the late 50s and Ramble House promises to bring all eight of them back into print This book also includes as a gift to all Ed's fans his short story featuring Sam McCain *The Christmas Kitten*

New, Improved Murder Ed Gorman, 2020-05-02 Jack Dwyer is a former cop who got the acting bug after he was cast in a local public safety commercial He started acting lessons quit his job and applied for his private investigator's license in very nearly that order He also took a security guard job to keep the wolves away The novel opens with Dwyer on a riverside park murder site He was called there by a panicked former girlfriend A girlfriend who left him for another man and a girlfriend Dwyer isn't quite over The woman is nearly comatose when Dwyer arrives She is distraught with grief and fear The man who replaced Dwyer in her life is dead in the grass and the gun that killed him is in her hand The police arrive and everything fits neatly into a little package No real investigation other than into Jane Branigan the girlfriend and the case seems open and shut but something about it bothers Dwyer That something may be nothing more than his feelings for Jane

but Dwyer doesn't think she did it New Improved Murder is a seriously good private eye novel Jack Dwyer is a likable compassionate sometimes self-doubting reluctant good guy who tends to stand on the outside He is working class top to bottom and the world through his eyes is a harsh troubled place with just enough hope and romanticism to keep him from the maudlin The story is a straight shot It is fast dirty and entertaining The mystery is fine-edged with enough clues for the reader to guess the killer but nothing is in plain sight and it is doubtful most readers will guess it before the final pages The supporting cast is a mixture of blackmailing psychopaths prostitutes nasty businessmen broken children and everyman scared of life death and nearly everything else The amazing thing it is all this and funny too Not the story or the characters but rather Dwyer's take on the world as seen through his semi-smart-ass commentary and dialogue [Sleeping Dogs](#) Ed Gorman, 2022-11-11 As a seasoned political consultant Dev Conrad approaches working on the reelection campaign of Illinois Senator Warren Nichols with trepidation The senator's best friend and adviser has just committed suicide And though Conrad agrees with Nichols's political positions he's leery of the senator's reputation for sleeping around When a major televised debate proves to be a disaster for the senator Dev is forced to look into the backgrounds of the senator's staff which includes several people who have tangled and troubled relationships with their boss Dev's investigation takes him through the highs and lows of the political system the well-meaning people on both sides of the aisle and the increasingly dark forces that work to destroy reputations and lives It also leads him into the frightening murder of a sleazy political op who knows something about Senator Nichols that could completely destroy his career Ed Gorman is the author of several political thrillers including the acclaimed *The Marilyn Tapes* and *The First Lady* In *Sleeping Dogs* he looks at how money power and unchecked ambition have turned election campaigns into modern gladiatorial contests *The Rise and Fall of Florrie Clough* P.J. Holmes, 2024-03-28 Born on a Yorkshire farm in the 1820s Florrie Clough's life is anything but easy Yet her restless spirit and daydreams of a life beyond the confines of her upbringing never waver Embark on a journey with Florrie as she breaks free from her humble beginnings venturing into territories she once only imagined Destiny smiles upon her gifting her fame and fortune allowing her star to burn bright But when unexpected tragedy befalls Florrie's path takes a twist leading her to a more profound sense of purpose and joy Amidst an era of profound societal transformation from advancements in education technology and medicine to the evolutions in entertainment work and transport Florrie's tale seamlessly weaves the tapestry of a world in transition [Run to Midnight](#) Ed Gorman, 2016-06-18 ONE MORNING KATE EVANS OPENED HER DOOR TO A DYING FRIEND AND INVITED TERROR INTO HER LIFE His last breath held the secret of his murder Just one word key Kate thought she understood It was the key to a safe deposit box The key to a scandal The key to blackmail But Kate understood too much Kidnapped at gunpoint Kate and her famous client the glamorous pop star Riki must face the most terrifying ordeal of their lives A cross-country journey driven by madness obsession murder And Kate and Riki are along for the ride **Elimination** Ed Gorman, 2022-11-19 An assassination attempt on a U.S. congresswoman spells

danger for Dev Conrad Political consultant Dev Conrad is doing his best to help secure a re election victory for congresswoman Jessica Bradshaw who s fighting a fierce battle with her far right opponent Michael Dorsey But the campaign is thrown into chaos when an assassination attempt is made on Jessica s life She survives and finds herself leading the race but when the shotgun used in the shooting is found in the trunk of one of Jennifer s staffers the assassination attempt suddenly looks staged to win votes With Jessica s campaign in ruins Dev investigates Who wants Jessica dead and is the reason solely political Someone is determined Dev won t find answers *Flashpoint* Ed Gorman,2022-11-19 When his client becomes the prime suspect in a murder case political consultant Dev Conrad s campaign is thrown into chaos Political Consultant Devlin Conrad had the feeling that his very married client Senator Robert Logan was a lot more involved with the beautiful and mysterious Tracy Cabot than he wanted to admit But he learned too late that the Cabot woman was a spy working for a shadowy right wing organization too late because by then she d been found murdered in Senator Logan s fishing cabin and the police are certain that he killed her But Conrad finds numerous suspects in the Senator s mansion and in the somewhat comic but dangerous figure of political saboteur Howie Ruskin He must find the real killer if he is to win the election for a client whose vanity and arrogance make him right at home in the United States Senate **The Forsaken** Ed Gorman,2017-02-18 There was ANNA the town s bad girl mistreated and abused who made the ultimate sacrifice to get her revenge THE FORSAKEN THE FORTUNE TELLER whom the town ridiculed but not for long THE FORSAKEN PATRICK the handsome fifteen year old boy whose nightmare started with a strange birthmark and a message from beyond the grave THE FORSAKEN Soon the children of Camp Henderson and the adults of the neighboring small towns would never again forget THE FORSAKEN *The Fugitive Stars* Ed Gorman,2019-09-13 A research biochemist receives a package from a fellow scientist containing profiles on six people suffering from an unknown disease plus tissue samples for study Both scientists are found dead shortly thereafter and all trace of the files and samples have vanished A space mission to study an unusual comet passing through our solar system brings back something far more deadly than the usual samples of space debris And Michael Raines who in the past was part of a government study about the use of telepathy in space research and communications finds his powers becoming unreliable just as he stumbles across traces of an unbelievable conspiracy of extraterrestrial proportions that reaches from the heart of a comet all the way to the Oval Office **Life and Death on the New York Dance Floor, 1980-1983** Tim Lawrence,2016-09-15 As the 1970s gave way to the 80s New York s party scene entered a ferociously inventive period characterized by its creativity intensity and hybridity Life and Death on the New York Dance Floor chronicles this tumultuous time charting the sonic and social eruptions that took place in the city s subterranean party venues as well as the way they cultivated breakthrough movements in art performance video and film Interviewing DJs party hosts producers musicians artists and dancers Tim Lawrence illustrates how the relatively discrete post disco post punk and hip hop scenes became marked by their level of plurality interaction and convergence He also explains how the shifting

urban landscape of New York supported the cultural renaissance before gentrification Reaganomics corporate intrusion and the spread of AIDS brought this gritty and protean time and place in American culture to a troubled denouement **Blood**

Moon Edward Gorman,2009-05 In an effort to catch a child killer former FBI agent Robert Payne poses as a journalist to interview three suspects in a small Iowa town an art teacher a honey seller and an evangelist **Zone Soldiers** Ed

Gorman,2019-09-13 TO BE DIFFERENT IS TO BE DEAD Turned into two armed camps by the accidental release of a deadly virus the United States has become the Federation where the Normals live and the Zone a forbidden territory housing the mutated members of humanity known as Undesirables Now sixty three years after disaster first struck the terrorist mutant rights organization known as the Front is striking back and for Front leader Sara Ford Zone pilot Duvall may prove the perfect means to keep her most precious weapon out of the Federation s clutches His cargo skimmer hijacked by Ford and shot down over the Zone Duvall and his passengers are immediately caught up in a war for survival And while Duvall could care less whether Sara Ford lives or dies her daughter Emily is another matter To Sara Emily is a tool to be used for her cause To the Federation this mutant is the rare kind of commodity they ve been searching for To the Zone warlord Emily is something to sell to the highest bidder But to Zone pilots Duvall and Betsy she is a frightened child in need of protectors Yet what none of them can see is that Emily is either the world s worst nightmare or this divided country s last best hope for peace Love, Death, and Transience: Byron Renz,2015-09-29 A collage in art is something like a mosaic It takes picture

fragments which have a certain meaning in themselves and juxtaposes them with other picture fragments that convey a somewhat different but related idea When viewed as a collective whole the sub themes in each picture blend together to create a large unified master theme This book might be described as a literary collage The theme in each essay conveys a part of the life of our society and political landscape The essays were written to accompany e mail greetings for my four daughters and several of my friends at the four seasonal turning points of the year experienced similarly at the middle latitudethe two equinoxes and two solstices Now some nine years after starting the practice in 2006 a number of essays have accumulatedsome short and personal and others longer and impersonal The essays usually make some point about the world that we live infrom the way that words convey meaning to phenomena of the mind to political issues of the day The purpose of this book is to stimulate thought and to encourage discussion **Blindside** Ed Gorman,2022-11-19 Political

consultant Dev Conrad knows that helping Congressman Michael Robards to get re elected is going to be tough Robards liberal voting record stands against him and his staff seem resentful of Dev himself which could doom the campaign But there s a bigger problem A campaign worker has been shot behind Robards headquarters Both Dev and the police presume it was a mugging but as the election draws near Robards is implicated in the murder by his enemies Runner in the Dark Ed Gorman,2016-06-18 It s been five years since David Gerard got out sprung from the courtroom in a hail of bullets that left nine dead and left his brother Roy in jail under sentence of death Now Roy faces electrocution unless David can pull the plug

District Attorney Jessica Dennis believes in the ultimate sanction. She's prepared to debate the ethics of the death penalty on television a few hours before Roy is due to die. It's a program the whole city will be watching. David has a helicopter, a pilot, and two callous killers on his team. But neither of them thirst for revenge the way he does. And the chief object of his vengeance is the blonde and beautiful prosecutor who has placed his brother in the electric chair. Tonight David aims to get even with Jessica and save his brother's life. He's taking over a live TV broadcast and holding a city to ransom. Whatever the outcome, no one will be switching channels.
