Andre the Giant Brian "Box" Brown, 2014-05-06 Andre Roussimoff is known as both the lovable giant in *The Princess Bride* and a heroic pro wrestling figure. He was a normal guy who'd been dealt an extraordinary hand in life. At his peak he weighed 500 pounds and stood nearly seven and a half feet tall. But the huge stature that made his fame also signed his death warrant. Box Brown brings his great talents as a cartoonist and biographer to this phenomenal new graphic novel. Drawing from historical records about Andre's life as well as a wealth of anecdotes from his colleagues in the wrestling world including Hulk Hogan and his film co-stars Billy Crystal, Robin Wright, Mandy Patinkin, etc. Brown has created in *Andre the Giant* the first substantive biography of one of the twentieth century's most recognizable figures.

Randy Savage Jacqueline Mudge, 2013 A biography of the professional wrestler who has won and lost both the World Wrestling Federation and World Championship Wrestling titles.

Adam Copeland On Edge Adam Copeland, 2010-05-11 Adam Copeland on Edge is what the author describes as a mental picture. It's also a dream one of many that he decided to realize while at home convalescing from potential career ending neck surgery. And it's a journey that explores not only his life but also his innermost thoughts. In the small town of Orangeville, Ontario, Copeland was raised by a loving mother who, while working multiple jobs just to pay the rent, nurtured her son's passion for Spider-Man comics and KISS albums. When a family tragedy created a void in Copeland's life, that void was soon filled by the wrestling legend Hulk Hogan, who made me feel like I could accomplish anything. For Copeland, anything meant becoming a wrestler, an ambition shared by his friend Jason Reso, who would eventually form the indie tag team Suicide Blondes with Copeland, then join him in WWE as Edge's brother Christian. Winning a newspaper essay contest earned Copeland free wrestling training from independent veterans Sweet Daddy Siki and Ron Hutchinson. The author shares his vivid, often outrageous memories of wrestling throughout Canada and the midwestern United States and befriending future WWE Superstars like Terry Richards, Rhyno, Sean Morley, Val Venis, and Chris Jericho. Hard work and persistence brought Copeland to World Wrestling Entertainment. But his inauspicious Raw debut, during which he accidentally knocked out his opponent, supports his claim that he had no idea how to make the transformation to Edge. Copeland retraces the steps he took to educate himself from his goth days with the Brood's Christian and Gangrel to ushering in the Edge era, the anxiety he felt while splitting up with Christian, his eventual determination to grab the damn ball out of someone's hands and take off the distress of almost losing his long blond hair to Kurt Angle, his wonder over enjoying a brief Tag Team title reign with the icon who first inspired him, the simultaneous pain of a broken marriage and two ruptured discs in his neck, and the nervous energy of returning to Raw in March 2004 and setting his sights on the WWE World Heavyweight Championship. You think you know Edge. Then read on.
