THE ABOMINATIONS OF OUR GENERATION

THE MYSTERY OF INIQUITY

by Mark K. Darko

Upright people backslide, human tissues deteriorate and die, excellent human cultures and environments retrogress, and the whole universe is gradually dying. There is a powerful system of decay permeating creation and driving humans of all generations to commit abominations against a Holy God. Quantum physicists call it "entropy"; the Bible calls it "wine," "leaven," and the "mystery of iniquity." All human efforts—religion, science, physical exercise, medicine, law, nutrition, technology, etc.—are part of our quest for immortality. Jesus Christ demonstrated the power to reverse the system of decay and halt the process of death by Himself resurrecting, raising the dead, calming storms, healing diseases, and empowering his followers to do same. He alone promises immortality (eternal life). In Him, sin is defeated, chronic diseases reversed, nature controlled, and death stopped. Find out how you can do the same by reading this book.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
