Viktoria,2025-03-15 Nyara Emberleaf I never planned to fall for one bear shifter let alone three But when a massive Alpha named Thorne Blackwood showed up at my door during a thunderstorm desperation in his amber eyes as he begged me to save his clan s dying cubs how could I refuse I ve spent years hiding what I truly am a bridge walker with the rare ability to absorb magical curses into my own body The last time I fully embraced my power it cost me everything Yet the moment I stepped into the ancient bear settlement carved into the Blackridge Mountains something awakened inside me It wasn t just the connection I felt to Thorne whose protective strength made me feel both safe and burning with desire Or to Rowan the silver haired spiritual advisor whose ancient wisdom called to parts of my soul I d kept buried Or even to Kai the clan s gifted healer whose touch sparked magic I d never experienced before No it was the way the three of them circled me like planets around a sun their very presence awakening an ancient ritual mentioned only in forbidden clan texts the Healer s Trinity a sacred bond that could either save everything or destroy us all Now I ve discovered the illness killing these innocent cubs is actually a targeted attack from a rival wolf pack and stopping it requires me to embrace the very power I ve spent years running from As the blood moon rises over these ancient mountains I face an impossible choice keep running from my true nature or surrender to a bond that will either heal centuries of division or tear apart the clan at its most vulnerable moment They say a bear s heart once chosen never wavers But what happens when that heart belongs to three bears and they ve all chosen me Some bonds transcend tradition Some love defies nature itself And sometimes the most reluctant healer becomes the most beloved **Loving the Alpha Billionaire 2 & 3 (BWWM Interracial Romance Short Stories)** J.S.
